

Virtual Conference on Chemistry and its Applications 2024

Overview

Basic sciences are the pillars for our capacity to understand and innovate. It is equally important for researchers to communicate their research findings and be involved in a network within the scientific community. Since 2013, in view of our continuous effort to host virtual conferences, we are organising VCCA-2024 from 12 to 16 August 2024.

Important dates

Abstract submission	15 April 2024
Notification of acceptance	15 May 2024
Early registration	15 June 2024
Presentation submission	15 July 2024
Full paper for proceedings (optional)	15 November 2024

Benefits of participation

Dissemination of research findings

Networking

Training

Sustainable future

Proceedings

Participants will have the opportunity (optional) of publishing full paper or book chapter without additional fees. Refer to the website for information.
