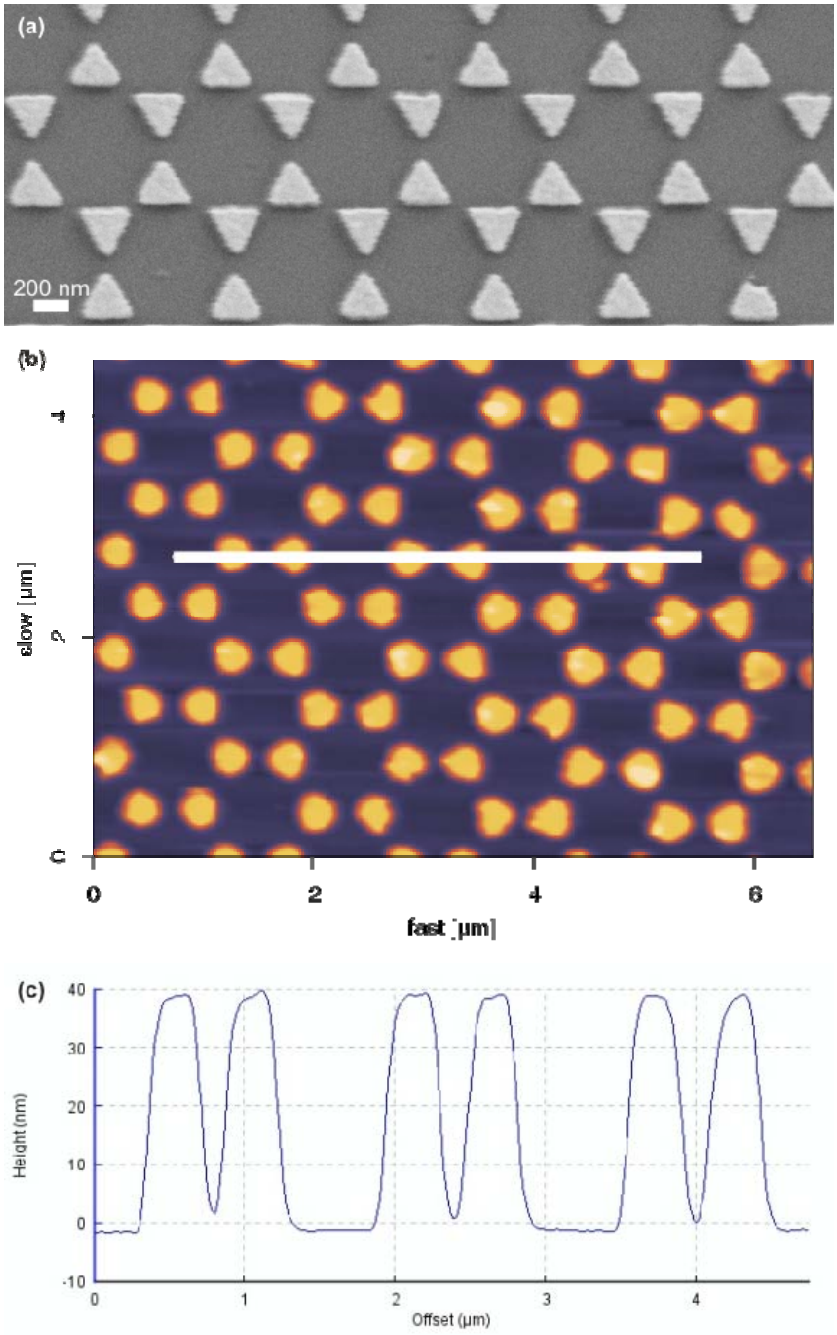

Figure S1. SEM image of a Fischer's pattern (a), AFM image of a Fischer's pattern (b) and the cross section of the AFM image above (c).

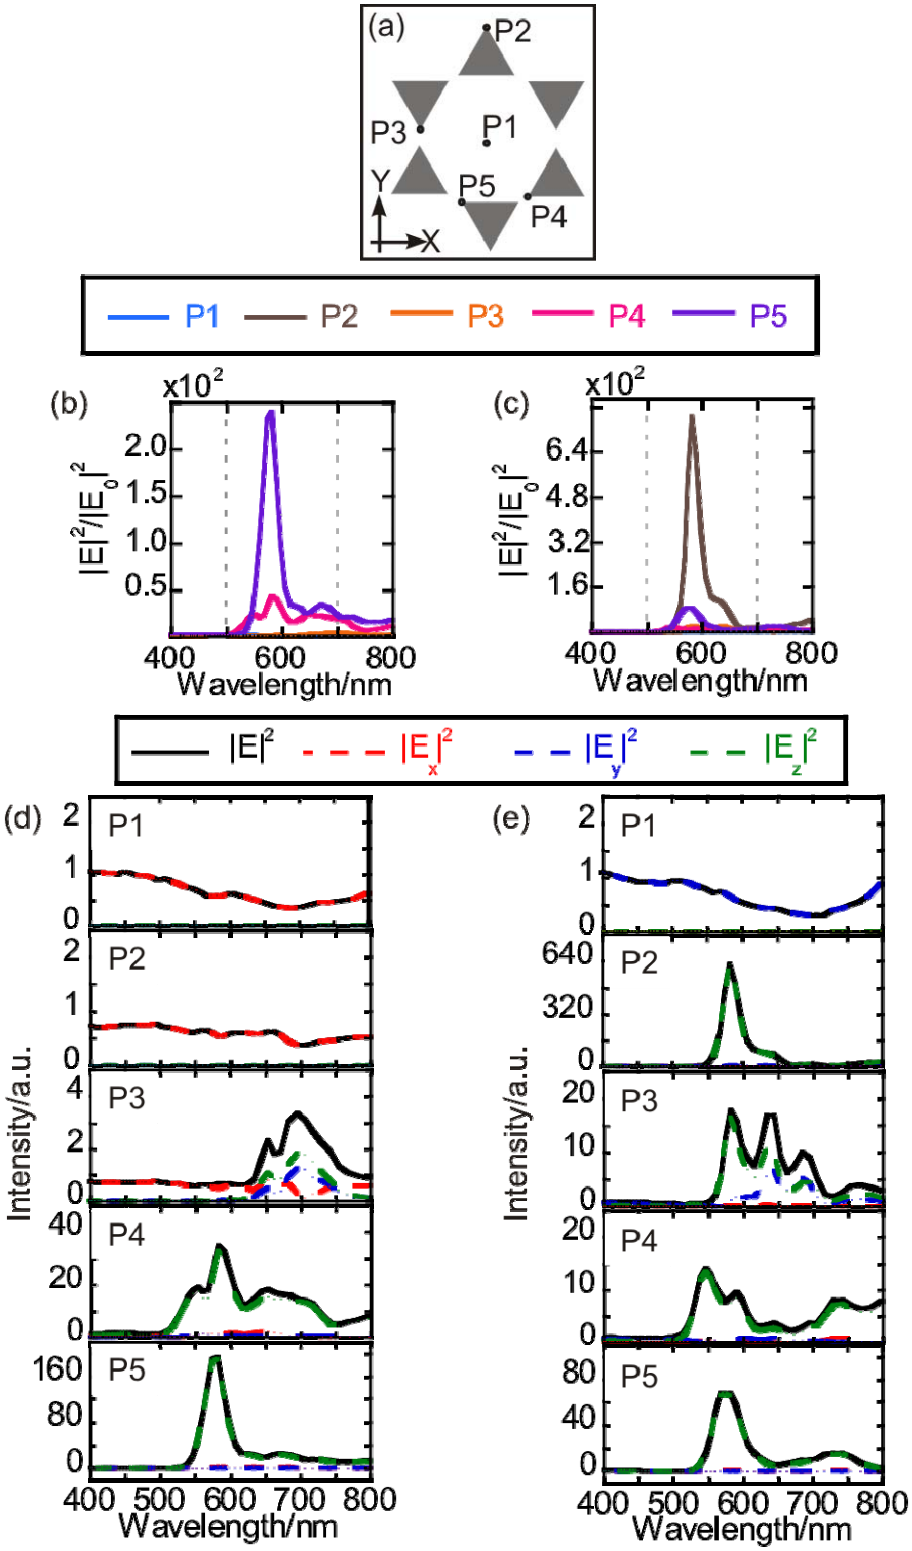

Figure S2. Scheme of Fischer's pattern lattice unit with the five points studied (a). $|E|^2$ spectra of the five points (b,c), and $|E|^2$, $|E_x|^2$, $|E_y|^2$, $|E_z|^2$ spectra for each of the five points (d,e) (Left column: polarization along X axis. Right column: polarization along Y axis).
