

## **Acknowledgments**

A large number of individuals were directly or indirectly involved in the preparation of this book. First, a number of my current and former students (S. Chatlani, L. K. Downie, C. E. Heckle, J. C. Lapp, P. B. McGinnis, J. J. Noonan, and B. M. Wright) supplied unpublished data for many of the figures in this text. I am also grateful for the critical review of the text by Elizabeth Birtch, S. Chatlani, B. Larrabee, Michelene Miller, Doug Rapp, Fabienne Raszewski, and Janelle Villone. I would like to offer special thanks to my mother, Jessie M. Shelby, and to my daughter, Cleo R. Shelby, for their support of my efforts on this project. Finally, I would like to thank Alfred University for providing me with the forum for developing the ideas expressed here.
