

**BNASS 2022: The 20<sup>th</sup> Biennial National Atomic Spectroscopy Symposium**  
**Nu Instruments Factory Tour, Wrexham, Wednesday 29<sup>th</sup> June**

**Opportunity to tour our factory and meet the applications scientists.**

**There are limited number of place so register your interest now!**

[Click here to register](#)

Nu Instruments team is delighted to be back to face to face conference and we can't wait to meet all of you at BNASS at the end of the month. Given the proximity of the factory we would like to jump on the occasion and invite for a tour of the factory at the end of the conference on the Wednesday afternoon.

Nu instruments factory is an hour and half from BNASS. There will be a return coach laid on and refreshments.

**This event will include:**

Tour of the factory (assembly, testing, demonstration lab)

Short presentation of some of our instruments and discussion with our product manager

Tea/Coffee and cake

2:15 PM: Pick up at the conference centre.

3:30 PM: Arrival at Nu Instruments – Tour, Presentation, Refreshment

5:30 PM: Departure from Nu Instruments

6:30-7 PM: Arrival at the conference centre

**Place are limited so make sure that you register for the tour before the 24<sup>th</sup> June.**
