

## THE JOINT PHARMACEUTICAL ANALYSIS GROUP

<[www.jpag.org](http://www.jpag.org)>

# Pharmacopoeial User Forum

**A one-day symposium to be held  
at the Royal Pharmaceutical Society of Great Britain**

***In association with the United States Pharmacopeia***

**Thursday 6 August 2009**

### Scope

USP staff including Dr William Koch, Chief Metrologist, will provide updates on current and forthcoming changes to a range of standards published by the USP. A panel of users from the industry will explain their experiences of implementing some of the new requirements and comment on future proposals.

Future developments involving the concept and structure of the procedures and acceptance criteria described in both Monographs and General Chapters will be discussed together with information on the reference materials which support the procedures.

### Who should attend

This symposium will be of interest to pharmaceutical scientists and managers, as well as regulatory professionals and those involved with compendial affairs, who use the monographs and procedures specified in the Pharmacopoeias.

*A customised certificate attesting four hours credit for Continuing Professional Development will be included in the delegate pack for all registrants.*
