Department of Chemistry, Faculty of Mathematics & Natural Sciences, Universitas Islam Indonesia (UII) jointly with Department of Chemistry, Kulliyah of Science, International Islamic University Malaysia (IIUM) are delighted to invite you to attend & present your work in the 4th International Conference on Chemistry, Chemical Process & Engineering 2022 (4th IC3PE 2022), that will be held in Indonesia from 27th September 2022. Theme:

*"Developing Concepts & Leveraging Chemistry Innovations
for Sustainable Future"*

CONFERENCE SCOPES

Topic of interest to be covered in the conference includes, but not limited to:

- ✓ Materials & advance materials
- ✓ Electrochemistry & applications
- ✓ Homogeneous & heterogeneous catalysis
- ✓ Renewable & sustainable energy
- ✓ Environmental chemistry & its aspects
- ✓ Organic synthesis for food & drug
- ✓ Reaction engineering & quality control
- ✓ Computational modeling & chemometric
- ✓ Chemical engineering & process
- ✓ Chemical education & society
