

# Bringing Chemical Biology to Cancer Research

## *Event abstract guidelines*

You are asked to follow these guidelines when creating and submitting an abstract for oral or poster presentation.

---

### Creating abstracts

- Abstracts should be no more than 500 words in total, to include all authors and references.
- In the authors section please underline the presenting author.
- Main body of text should be left aligned.
- Single spacing throughout. Text should be in Arial, font size 11pt.
- References, denoted by superscript numbers in the text, should be listed in the references section using standard Chemical Abstracts Source Service Index terminology followed by Year, Volume, and Page
- The use of figures, graphs and schemes is recommended where this aids the understanding of the text. These can be uploaded during submission.

These guidelines are general and can be found via this link:
