Dr Frédéric SCHMIDT (Institut Curie, Paris, France)
Dr Philippe VAYER (Laboratoire Servier, Orléans, France)
Dr Alain WAGNER (Université Louis Pasteur, Illkirch, France)

Topics

- Target Discovery and Validation
- From Screening to Development
- Hit to Lead
- ADME Tox
- From in silico Selection to Development
- New Useful Tools in Organic Chemistry
- Other Innovative Approaches
- Case Studies

SCIENTIFIC ORGANIZING COMMITTEE

Prof. R. Barret (Université Claude Bernard, Lyon, France)
Prof. A. Boumendjel (Université Joseph Fourier, Grenoble, France)
Prof. J.D. Brion (Université Paris-Sud, France)
Prof. P.A. Carrupt (Université de Genève, Geneva, Switzerland)
Dr E. Differding (Differding Consulting, Louvain-La-Neuve, Belgium)
Dr R.H. Dodd (ICSN-CNRS, Gif-sur-Yvette, France)
Dr P. George (Independent Scientific Expert and Consultant, Former Research Director, Sanofi-Aventis R&D, France)
Dr J.Y. Ortholand (Edelris, Lyon, France)
Dr Y. Rolland (Société de Chimie Thérapeutique, Châtenay-Malabry, France)

Prof. S. Routier (Université d'Orléans, Orléans, France)
Prof. J. Sapi (Université de Champagne-Ardenne, Reims, France)
Prof. A. Tartar (Université de Lille 2, Lille, France)
Dr L. Van Hiffte (Johnson & Johnson Pharmaceutical R&D, Beerse, Belgium)
Prof. N. Walchshofer (Université Claude Bernard, Lyon, France)

LOCAL ORGANIZING COMMITTEE

Prof. R. Barret (Université Claude Bernard, Lyon, France)
Prof. A. Boumendjel (Université Joseph Fourier, Grenoble, France)
Prof. P.A. Carrupt (Université de Genève, Geneva, Switzerland)
Prof. N. Walchshofer (Université Claude Bernard, Lyon, France)
