Invitation to the SMMAP 2017 conference

On behalf of the French Society of Mass Spectrometry (SFSM), the French Society of Electrophoresis and Proteomic Analysis (SFEAP) and the French Network of Metabolomic and Fluxomic (RFMF), we have the great pleasure to invite you to participate in the 1st edition of SMMAP (Mass Spectrometry, Metabolomics and Proteomic Analysis) from 2nd to 5th October 2017. For the first time, the three scientific societies will organize a joint conference based onto interdisciplinarity in Analytical Chemistry.

The meeting will be held in Marne-la-Vallée, in the New-York Hotel Convention Center conveniently located in the heart of the Disneyland Paris village.

SMMAP 2017 provides a unique communication and discussion platform for scientists working in the field of analytical chemistry including mass spectrometry, NMR, chromatography, omics sciences, data analysis ... This is an unique opportunity to build or reinforce your company's exposure and your corporate brand awareness in the market and upgrade your exposure to leading scientists. More than 500 scientists are expected during 3 full days of exhibition.

You will appreciate the possibility to participate actively at your convenience through additional actions that will make you even more present in the congress.

If you could not attend this meeting, your company may also enclose advertisement into participants' bags. Details of this symposium (scientific program including international plenary speakers, registration fees, accommodation ...) are now available on the website: <https://smmap2017.sciencesconf.org/>

You will find a booking form herewith.

We thank you again for your time and hope to hear from you soon.

Sincerely,

The Organizing Committee

What you get as an exhibitor

EXHIBITION BOOTH

Exhibition situated in a 1600 m² exhibition space, together with poster presentation, coffee and lunch breaks

Booth fittings

Equipment installation and removal, partition walls, carpeting

Table and chairs

Electrical installation

Cleaning

Extra options for the booth available on request. You will choose your booth location on a first-come, first-served basis, in chronological order of sponsor contract signature.

Options

Several options are available including:

Users meeting (Monday, limited to 2 parallel events) **and seminars** (lunch time)

Sponsorship of the welcome party (Tuesday evening)

Sponsorship of the gala diner (Wednesday evening)

One-page full color in the Conference Book

Sponsorship of an invited speaker

Logo on the conference bag

Goodies in the conference bag

USB sticks

Price not listed. Please contact us for more information
