

# CHRISTMAS CHEMISTREE COMPETITION

Monday 12<sup>th</sup>  
December 2022

To get us into the festive spirit, in December we are encouraging Early Career Researchers from the East Midlands to get creative and make their own Christmas Chemistree! Whether it's a tree of colourful RBFs in the lab, a decorated tree in the office or some Chemistree baking, the licence is yours to be inspired.

Once completed, please email a photo of your Christmas Chemistree to [js976@le.ac.uk](mailto:js976@le.ac.uk) by Monday 12<sup>th</sup> December so they can be uploaded onto the @RSCEastMidlands Twitter and FaceBook page for all to see. Prizes are available for the Best Decorated, Best Chemistry Themed and Most Creative.
