## **Seminar - modern analytical pyrolysis approaches to research, innovation and industrial applications**

Pyrolysis is a technique that has been growing in popularity in recent years especially with the introduction of enhanced capabilities such as reactant gas and high pressure catalytic pyrolysis.

---

Analytix are holding a one day seminar with presentations from industrial experts and academia on the latest analytical pyrolysis applications.

---

### **Register to attend**

**Date:** 28th June 2018

**Venue:** Quality Inn Hotel, Whitney Way, Boldon, NE35 9PE

**Cost:** £90 + VAT
