

## Advancement in Functional Materials

ICAFM-2024

February 8-10, 2024

Organized by : Prof. Rajendra Singh (Rajju Bhaiya) Institute of Physical Sciences for Study &amp; Research

Veer Bahadur Singh Purvanchal University, Jaunpur (UP) India

in collaboration with - Asian Polymer Association, New Delhi, India

## ABOUT THE CONFERENCE

**ICAFM-2024** aims to bring together material researchers, academicians, scientists, and industry experts from around the world to discuss the latest advancements in functional materials. The primary objective of the conference is to promote the development and application of functional materials in various fields such as polymers, electronics, energy, healthcare, and environmental science. The conference will provide a platform for participants to share their research findings, exchange ideas, and collaborate on innovative solutions to global challenges. The eminent experts will deliver plenary talks as well as invited talks on the subject area of the conference. Besides the talks, participants will have the opportunity to present their research work as an oral presentation or poster presentation. It will also provide opportunities for young researchers to present their work and interact with experienced scientists. The latest theoretical and experimental techniques in various fields related to the functional materials such as polymers, electronics, energy, healthcare, and environmental science will be discussed.

## TOPICS

- Polymers, biopolymers, composites, hybrids & gels
- Modifications of Polymer
- Functional materials for energy harvesting
- Materials for electrode & electrolyte
- Carbon materials and Applications
- Catalytic and sensing materials
- Semiconductor, multiferroic and dielectrics
- Ion beam modification of materials
- Nanomaterials for flexible electronics
- Waste management and sustainability
- Nanomaterial & Nanoengineering
- Computational Chemistry for material science
- Ultrasonic characterization of functional materials
- Non-Destructive characterization of functional materials
- Pharmaceutical Chemistry & Nano medicine
- Other relevant topic related to the conference theme

## IMPORTANT DATE

Last date for abstract submission : 30.12.2023

Notification of acceptance of abstract : 05.01.2024

Registration fee due date : 15.01.2024

## REGISTRATION FEE

Participants must register online using following link or QR

Catagory	Early Bird	After Due Date	On Spot	Foreign Deligate
Students	₹ 1,000	₹ 1,500	₹ 2,000	\$ 200
Faculty	₹ 2,000	₹ 2,500	₹ 3,000	\$ 300
Industry Person	₹ 4,000	₹ 5,000	₹ 6,000	\$ 600
Accompanying	₹ 1,000	₹ 1,500	₹ 2,000	\$ 200

\* Accommodation will be provided on a charge basis as per the request of participants.

## BANK DETAILS FOR SUBMISSION OF FEE

Name : Director Rajju Bhaiya Institute VBSPU Jaunpur

Account Number : 4539002100005560

Bank Name : Punjab National Bank

Branch Name : Purvanchal University

IFSC Code : PUNB0453900

## SUBMISSION OF ABSTRACT AND RESEARCH PAPER

**Submission of Abstract:** Research scholars, faculty members, scientists and academicians are invited to submit a brief abstract online through the conference email ID [icafm24@gmail.com](mailto:icafm24@gmail.com) or registration link on or before 15th December, 2023. Details of abstract submission and template are available on website.

**Call for Paper/Book Chapter :** The full length papers / chapters related to conference theme are also invited for publication as a proceeding / book chapter in Edited Book. Authors may submit their chapters latest by 30th December, 2023. Detail guidelines and template are available on conference website.
