

# Early Career Network Presents:

## Nuclear Power – Friend or Foe?

As threat of climate change increases, can nuclear power provide an answer to a low carbon future? Join Professor Francis Livens as he provides an insight into the benefits and costs of nuclear energy, and the current issues faced by the UK.

Professor Francis Livens  
G53, Chemistry Building, University of  
Manchester.

Tuesday 13<sup>th</sup> October 2015  
3-4 pm, refreshments to follow.
