

FORMATIVE FORMULATION

Formative Formulation 4. Tuesday 28th May 2024. London, UK.

CALLING ALL EARLY CAREER FORMULATION SCIENTISTS

Formative Formulation, our Early Careers event, has emerged as a key entry in the Formulation Science and Technology calendar.

Formative Formulation 4 is a scientific conference and networking event, aiming to enhance our community of Early Career Formulation Scientists with exciting invited talks and a broad range of contributed posters.

Invited speakers:

- Dr Thomas Curwen (Mondelēz International)
- Dr Louise Anderson (Notpla)
- Dr Gleb Yakubov (University of Nottingham)
- Dr Robert Bowles (Royal Society of Chemistry)

Venue: Burlington House, London

Date: 28th May 2024, 09:00 -17:00

Cost:

RSC members: £60

Non-members: £80

**Deadline for abstracts and early bird discount is 19th April
2024!**
