**ABOUT HYDERABAD**

The city houses famous historical sites including Charminar, Chowmahalla Palace, Salar Jung Museum (among the world's largest private collection museum) art galleries, libraries, sports complexes, museums and theatres. The Charminar is as much the signature of Hyderabad as the Taj Mahal is of Agra or the Eiffel Tower is of Paris. The Cyber towers of the Hi-Tech City of trade and technology embodies the newfound attitude of Hyderabad and today finds a place of pride. Situated on the outskirts of the city, it is the nucleus of Cyberabad, the IT destination in this part of the world. Boating and water sports are a regular feature in the Hussain Sagar. One of the World's tallest monolithic statues of the Buddha stands on the 'Rock of Gibraltar', in the middle of the lake. Surroundings of Hussainsagar Lake provide marvellous entertainment options like NTR Gardens, Necklace Road, Tank Bund, Prasads Multiplex, Lumbini Park, Sanjeevaiah Park etc. Falaknuma Palace was built in several phases by the Nizams between 1857-1869 and this is now one of the heritage buildings. The complex comprises four palaces in Moghal and European styles of which the main palace is double storied with the others being single-storeyed blocks.

## ABOUT GNI

GNI is one of the premier Institutions in the Country, developed into gateway of knowledge and inspiration. The institution offers graduate and post graduate over 7 discipline of Engineering, Computer application and Pharmacy. Around 9000 students from all over the country and more than 200 international students from various countries are part of academics. 700 plus strong team of faculty members are imparting academic instructions through research and Innovation. The Infrastructure includes separate building for every department, residential accommodation for 1500 boys/girls and teaching fraternity. The ambience of campus is serene and pristine. The academic blocks are interspaced with vast green patches of lawns giving soothing and rejuvenating atmosphere. GNI Decode IT Park (Digital Engineering Center for offshore and Domestic Enterprises) is India's First IT Park within our Institution campus providing Part Time Employment to Current Students and Full time Employment to Passed-out Engineers. The Institution has been awarded "Best Place to Innovate" in UXINDIA-13 International Conference, at IIM Bangalore, "Excellent Innovative Institute in AP" award by Consortium of Communication Media and Infrastructure CCMAI and "Award of Excellence" for Guru Nanak Educational Society by JNTUH. This Institute is hosting 3 International Conferences besides publishing 2 International Journals every year.
