ABOUT THE RPS AWARDS

The RPS Awards were launched in 2011 to recognise those individuals who make outstanding contributions to their fields of pharmacy. They recognise achievement, talent and innovation within the profession, and are celebrated with a gala dinner and awards ceremony for 300 guests made up of nominees, invited colleagues and conference attendees.

The awards carry with them the prestige and status that only recognition by a professional body can bring. By supporting an award you can join a select group of companies recognising and endorsing the achievements of leading individuals within the profession.

So why support the RPS Awards:

- Associate your brand with the professional body for pharmacy
- Associate your brand with the prestigious achievements of our members
- Demonstrate your dedicated support for the profession and the professional body
- Extensive brand coverage raising awareness of your brand amongst our members
 - Company logo in all e-marketing activity to entire and segmented membership
 - Company logo in all related marketing collateral
 - Brand exposure at venue

Awards 2013

- Large internationally renowned venue (ICC Birmingham)
- Your company's name recognised as the supporter of your chosen award
- Company representative on your sponsored award's judging panel
- Complimentary seats at the awards gala dinner.
