

## RSC Organic Division South-West Regional Meeting, University of Bristol

Wednesday 17th January 2018

School of Chemistry, Lecture Theatre 2

- 10.00 Registration and Poster Set-Up (tea and coffee available)
- 10.25 Opening remarks: Professor Chris Willis
- 10.30 Dr Emily Flashman (University of Oxford)  
*"Enzymatic Responses to Hypoxia in Plants and Animals"*
- 11.00 Dr Louis Morrill (Cardiff University)  
*"A Tale of Two Projects: Cyanamides and Sequential Organo-FLP Catalysis"*
- 11.30 Professor Richard Whitby (University of Southampton)  
*"Synthesis and Properties of Small Molecule Endofullerenes"*
- 12.00 Dr Simon Lewis (University of Bath)  
*"Unusual Cation Reactivity: Sulfoniums in Cross-Coupling and Acyliums in C-H Functionalization"*
- 12.30 Lunch break and poster viewing
- 13.30 Dr Mariolino Carta (Swansea University)  
*"Polymers of Intrinsic Microporosity for Gas Separation Membranes"*
- 14.00 Dr Ian Bull (University of Bristol)  
*"Biomolecular Fingerprinting of Soils"*
- 14.30 Professor Laurence Harwood (University of Reading)  
*"Separating Minor Actinides from Lanthanides: Solution Phase versus Immobilized Ligand - the Importance of Speciation"*
- 15.00 Coffee and poster viewing
- 15.30 Dr Andrew Lawrence (University of Edinburgh), 2017 RSC Hickinbottom award winner  
*"Biomimetic Natural Product Synthesis"*
- 16.30 Wine Reception and Poster Prize Announcements
