

# 2016 European Inverse Gas Chromatography (iGC) Symposium

# Poster Competition

We are delighted to invite everyone to join the scientific poster session at 2016 European Inverse Gas Chromatography (iGC) Symposium. The topics should address research studies using inverse gas chromatography (iGC) technique.

## Poster criteria:

The purpose of your poster is to demonstrate to a wide audience the use of iGC technique on different scientific researches and studies.

The most innovative poster will be chosen on the last day of the symposium and will be awarded a £300 cash plus certificate of recognition.

## Symposium date and venue:

18<sup>th</sup> and 19<sup>th</sup> October 2016

Lecture Theatre 3 (LT3), Imperial College London

Address: Imperial College London, Exhibition Road, London SW7 2AZ

## Please submit your abstract (500 words) to:

Dr Anett Kondor
