

# RSC Organic Division Midlands Meeting 2014

Friday the 25th of April 2014, School of Chemistry, University Park, University of Nottingham  
School of Chemistry Large Lecture Theatre (room X1) 10:15 – 17:30

10:15 Coffee and registration in the chemistry foyer

|                  |  |
|------------------|--|
| <b>Session 1</b> | Chair Dr Rob Stockman  |
| 11:00            | Dr Alison Stuart, University of Leicester<br><i>"Electrophilic fluorination using hypervalent iodine reagents derived from fluoride"</i> |
| 11:30            | Dr Pete Jerivs, University of Birmingham<br><i>"Design and synthesis of labelled CD1d glycolipid antigens"</i>                           |
| 12:00            | Dr David Williams, University of Sheffield<br><i>"Touching base with arginine: recognising base damage in DNA"</i>                       |

12:30 Lunch and poster session in the chemistry foyer

|                  |   |
|------------------|---|
| <b>Session 2</b> | Chair Professor Chris Hayes   |
| 14:00            | Dr Matt Gibson, University of Warwick<br><i>"Materials for glycobiology: infectious disease and cell preservation"</i>                                  |
| 14:30            | Professor Andrei Malkov, University of Loughborough<br><i>"Catalytic asymmetric crotylation: method development and application in total synthesis"</i> |
| 15:00            | Professor Hon Lam, University of Nottingham<br><i>"Site-selective catalytic C-H functionalisation"</i>  |

15:30 Coffee and poster session in the chemistry foyer

|                  |   |
|------------------|---|
| <b>Session 3</b> | Chair Dr Ross Denton  |
| 16:30            | Professor Guy Lloyd-Jones, FRS, University of Edinburgh<br>The RSC Ingold lecture <i>"Cats and dogma"</i><br><br>Followed by presentation of the RSC physical organic chemistry award by RSC organic division president Professor Ray Jones |

17:30 Drinks reception in the chemistry foyer and poster prize presentation

**We are grateful to Asynt for sponsorship of this meeting**

## Registration details

The meeting is free and open to all but, for catering purposes, **please register before Tuesday the 1<sup>st</sup> of April**. To register please email [meryl.richardson@nottingham.ac.uk](mailto:meryl.richardson@nottingham.ac.uk)  
Please include the following details in your registration email: name(s), home University, research group and a title of your poster (if you are a PhD student or PDRA and wish to present). Further information including directions to the School of Chemistry can be found here: <http://dentonchemistry.com/rsc-organic-division-midlands-meeting/>
