## ABOUT THE MEETING

**J**oin us as ECS heads to the Sheraton Dallas, TX, May 26-May 31, 2019, for the 235<sup>th</sup> ECS Meeting. Every ECS Meeting is a forum for the latest scientific and technical developments in electrochemistry and solid state science and technology through technical symposia, presentations, poster sessions, panel discussions, professional development workshops, and a variety of networking and social events. Sponsorship and exhibit opportunities offer major benefits and provide an extraordinary chance for businesses to present their products and services to key constituents from around the world.

## ABOUT ECS

**O**ur mission is to advance theory and practice at the forefront of electrochemical and solid state science and technology, and allied subjects by encouraging research, discussion, critical assessment, and dissemination of knowledge in these fields. Our members are making key discoveries that address global sustainability challenges such as renewable energy, food safety, water sanitation, and medical diagnosis and care.

***“ECS meetings brings people from all over the world that are specific to electrochemistry and that allows us to meet our customers in one place.”***

—Marion Jones, Scribner Associates

## TOPICAL INTEREST AREAS

Market sectors we cater to:						
ELECTROCHEMISTRY				SOLID STATE		
Batteries and Energy Storage	Corrosion Science and Technology	Electrochemical / Electroless Deposition	Electro-chemical Engineering	Carbon Nanostructures and Devices	Dielectric Science and Materials	Electronic Materials and Processing
Fuel Cells, Electrolyzers, and Energy Conversion	Organic and Bioelectro-chemistry	Physical and Analytical Electrochemistry, Electrocatalysis, and Photo-electrochemistry	Sensors	Electronic and Photonic Devices and Systems	Luminescence and Display Materials, Devices, and Processing	

## SYMPOSIUM TOPICS & DEADLINES

### A— Batteries and Energy Storage

- A01— Battery and Energy Technology Joint General Session
- A02— Lithium Ion Batteries and Beyond
- A03— Large Scale Energy Storage 10
- A04— Battery Student Slam 3
- A05— Battery Characterization
- A06— Battery Safety and Failure Modes

### B— Carbon Nanostructures and Devices

- B01— Carbon Nanostructures for Energy Conversion and Storage
- B02— Carbon Nanostructures in Medicine and Biology
- B03— Carbon Nanotubes - From Fundamentals to Devices
- B04— Nano in Latin America
- B05— Fullerenes - Endohedral Fullerenes and Molecular Carbon
- B06— 2D Layered Materials from Fundamental Science to Applications
- B07— Light Energy Conversion with Metal Halide Perovskites, Semiconductor Nanostructures, and Inorganic/Organic Hybrid Materials
- B08— Porphyrins, Phthalocyanines, and Supramolecular Assemblies
- B09— Nano for Industry

### C— Corrosion Science and Technology

- C01— Corrosion General Session

### D— Dielectric Science and Materials

- D01— Chemical Mechanical Polishing 15
- D02— Low Cost Photovoltaic Materials and Devices for Clean Energy

### E— Electrochemical/Electroless Deposition

- E01— Electrodeposition for Advanced Node Interconnect Metallization Beyond Copper

### F— Electrochemical Engineering

- F01— Industrial Electrochemistry and Electrochemical Engineering General Session
- F02— Tutorial on Industrial Electrochemistry
- F03— Characterization of Porous Materials 8
- F04— Multiscale Modeling, Simulation and Design 3

### G— Electronic Materials and Processing

- G01— Silicon Compatible Emerging Materials, Processes, and Technologies for Advanced CMOS and Post-CMOS Applications 9
- G02— Processes at the Semiconductor Solution Interface 8
- G03— Organic Semiconductor Materials, Devices, and Processing 7

### H— Electronic and Photonic Devices and Systems

- H01— Wide Bandgap Semiconductor Materials and Devices 20
- H02— Solid-state Electronics and Photonics in Biology and Medicine 6
- H03— Wearable and Flexible Electronic and Photonic Technologies 2

### I— Fuel Cells, Electrolyzers, and Energy Conversion

- I01— Hydrogen or Oxygen Evolution Catalysis for Water Electrolysis 5
- I02— Materials for Low Temperature Electrochemical Systems 5
- I03— Renewable Fuels via Artificial Photosynthesis or Heterocatalysis 4
- I04— Energy Conversion Systems Based on Nitrogen 2
- I05— Heterogeneous Functional Materials for Energy Conversion and Storage 2
- I06— An Invited Symposium on Advances and Perspectives on Modern Polymer Electrolyte Fuel Cells – In honor of Shimshon Gottesfeld

### K— Organic and Bioelectrochemistry

- K01— Bioelectrochemistry: From Nature-Inspired Electrochemical Systems to Electrochemical Biosensors
- K02— Electron-Transfer Activation in Organic and Biological Systems
- K03— Young Investigators in Organic and Biological Electrochemistry

### L— Physical and Analytical Electrochemistry, Electrocatalysis, and Photoelectrochemistry

- L01— Physical and Analytical Electrochemistry, Electrocatalysis, and Photoelectrochemistry General Session and Grahame Award Symposium
- L02— Impedance Technologies, Diagnostics, and Sensing Applications 5
- L03— Computational Electrochemistry 5
- L04— Polyoxometallates and Nanostructured Metal Oxides in Efficient Electrocatalysis, Energy Conversion and Charge Storage
- L05— Spectroelectrochemistry 4
- L06— Supramolecular Materials

### M— Sensors

- M01— Sensors, Actuators and Microsystems General Session
- M02— Semiconductor Electrochemistry and Photoelectrochemistry in Honor of Krishnan Rajeshwar
- M03— Sensors for Precision Medicine

### Z— General

- Z01— General Student Poster Session
- Z02— Sustainable Materials and Manufacturing 3
- Z03— Nanoscale Electrochemical Imaging and Detection

## IMPORTANT DATES AND DEADLINES

- Meeting Abstract submission opens.....August 2018
- Meeting Abstracts submission deadline..... December 14, 2018
- Notification to Corresponding Authors of abstract acceptance or rejection ..... February 11, 2019
- Technical Program published online ..... February 2019
- Meeting registration opens..... February 2019
- ECS *Transactions* submission site opens for *enhanced* issues ..... February 15, 2019
- Travel Grant application deadline ..... February 25, 2019
- ECS *Transactions* submission deadline for *enhanced* issues ..... March 15, 2019
- Meeting Sponsor and Exhibitor deadline (for inclusion in printed materials) ..... March 15, 2019
- Travel Grant approval notification..... March 8, 2019
- Hotel and Early Bird meeting registration deadlines..... April 22, 2019
- 235th ECS Meeting – Dallas, TX..... May 26-31, 2019
- Release date for ECST *enhanced* issues ..... May 17, 2019

## PLATINUM SPONSORSHIP: \$15,000

### General Meeting Sponsorship

#### Benefits include:

- Access to exhibitor lounge for private networking space
- 4 Complimentary meeting registrations
- Organization logo on the meeting program, app, website (with link), and signage
- Free full page ad in meeting program
- 4 Complimentary exhibit registrations
- Complimentary exhibit booth

### Custom Sponsorship Options

Benefits include brand exposure on the meeting program, app, website, and signage, plus four complimentary meeting registrations. *Note: Limited to one sponsor each*

- **Plenary Session-** Stand out at the most highlighted event of the meeting by sponsoring this event.
- **Opening Reception-** Help kick off our meeting by sponsoring this event.
- **Tech Charging Station-** Custom charging station featured prominently on the exhibit floor with sponsor logo included on custom signage.
- **Custom USB Pen-** Company logo prominently placed on pen, which has a built-in USB drive and is given to all attendees.

## GOLD SPONSORSHIP: \$10,000

### General Meeting Sponsorship

#### Benefits include:

- Access to exhibitor lounge for private networking space
- 2 Complimentary meeting registrations
- Organization logo on the meeting program, app, website (with link), and signage
- Free ½ page ad in meeting program
- 3 Complimentary exhibit registrations

### Custom Sponsorship Options

Benefits include brand exposure on the meeting program, app, website, and signage, plus two complimentary meeting registrations.

- **Meeting Daily E-News**- Banner ad included on the daily e-blast and a customized email sent to all meeting attendees  
*Note: This offer is limited to two sponsors*
- **Student Mixer**- The mixer is a forum for students to network! Each event attendee will receive a t-shirt with your company's logo on it and you may invite 6 attendees to the mixer.
- **Keepsake Tote Bag**- Each meeting attendee will received a Tote bag with your company logo prominently placed.
- **Custom Event**- Present an educational topic to a captive audience through a lunch and learn event! Includes a custom email blast to all meeting attendees.

## SILVER SPONSORSHIP: \$5,000

### General Meeting Sponsorship

#### Benefits include:

- Access to exhibitor lounge for private networking space
- 1 Complimentary meeting registration
- Organization logo on the meeting program, app, website, and signage
- Free 1/4 page ad in meeting program
- 2 Complimentary exhibit registrations

### Custom Sponsorship Options

Benefits include brand exposure on the meeting program, app, website, and signage, plus one complimentary meeting registrations.

- **Meeting App** - Place your company's message right at meeting attendees' fingertips with banner ad placements on the meeting app/ scheduler.
- Note: This offer is limited to two sponsors*
- **Poster Session** - Prominent branding on signage at the poster session and on the poster numbers. There are typically between 300 and 600 posters at the meeting.
- **Notepad** - Each meeting attendee will receive a notepad featuring your company logo prominently placed.
- **Lanyard** - Each meeting attendee will receive a lanyard for their name badge with your company logo.

## BRONZE SPONSORSHIP: \$2,500

### General Meeting Sponsorship

#### Benefits include:

- Access to exhibitor lounge for private networking space
- Organization logo on the meeting program, app, website, and signage
- 1 Complimentary exhibit registration

### Custom Sponsorship Options

Benefits include brand exposure on the meeting program, app, website, and signage, plus one complimentary meeting registrations.

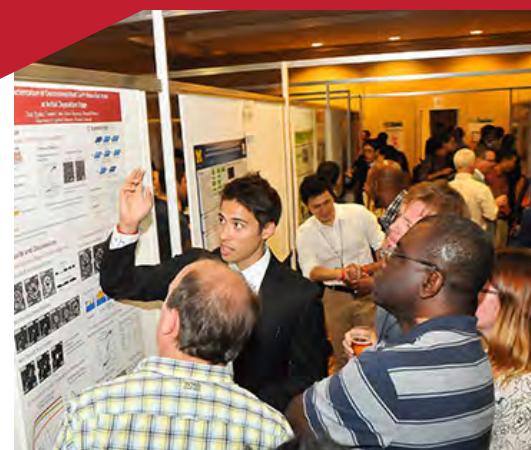

- **Coffee Breaks/Networking Breaks**- Help fuel attendees by sponsoring the most coveted item at the meeting, coffee! Promote your brand on signage at the coffee break.
- **Meeting Pens**- Each meeting attendee will received a pen with your company logo prominently placed.

## CONTRIBUTING SPONSORSHIP: \$1,500

### General Meeting Sponsorship

#### Benefits include:

- Access to exhibitor lounge for private networking space
- Organization name on the meeting program, app, website, and signage

## PROFESSIONAL DEVELOPMENT SPONSORSHIP & CAREER EXPO

### PROFESSIONAL DEVELOPMENT SPONSORSHIP

At each of our biannual meetings, the education committee provides professional development programming to help our students and young professionals develop skills for their current and future careers. We invite your organization to get involved and support these initiatives through a sponsorship.

The sponsorship opportunities include:

Headshot Booth.....	\$2,500
Resume Review.....	\$4,000
Refresh & Connect: ECS Mentoring Session .....	\$5,000
Short Courses.....	\$5,000
Professional Development Workshops.....	\$3,000

### CAREER EXPO

Finding great employees within the fields of electrochemistry and solid state science is no easy task. ECS's specified technical domains allow you to target your industry or academic focus to meet your hiring needs. With an average of 2,100 meeting attendees every spring, you are sure to find the right candidate.

#### Pricing

Organization type	Institutional member	Non-institutional member
Industry	\$1,495	\$1,995
Academic/ Government	\$695	\$995

*Career Expo hours are the same as the exhibit hours.*

### INSTITUTIONAL MEMBERSHIP

Institutional membership is a relationship of great mutual benefit to both member organizations and ECS. As an institutional member you will have access to information, people and breaking research as well as discounts on ECS products/services. If you are interested in learning more about institutional membership and how to access discounts for exhibit and sponsorship options, please reach out to [membership@electrochem.org](mailto:membership@electrochem.org).

## SYMPOSIUM SPONSORSHIP & SPEAKER SUPPORT

In addition to general meeting and packaged sponsorship options, ECS offers specific symposium sponsorship. By sponsoring a symposium you will be directly supporting the scientists who make the meeting possible. Sponsorships offset travel expenses, registration fees, complimentary proceedings, and/or host receptions for invited speakers, researchers, and students.

### OFFICIAL EXHIBIT TERMS OF PARTICIPATION

- 1) This exhibit supplements the 235th ECS Meeting. Exhibitors are expected to present their products and/or services with awareness of the technical needs of the meeting attendees. ECS reserves the right to deny any applicant who is unlikely to contribute to the overall objectives of the meeting.
- 2) Exhibitor must authorize an official on-site representative to be responsible for its booth. The representative shall be authorized to enter into such contracts as may be necessary to ECS and other contractors and subcontractors. At least one representative must be at the booth during all official exhibit hours.
- 3) Exhibitors will receive a registration form closer to the meeting to designate free full (1) and exhibit-only (2) registrations. Each additional exhibit-only registration will cost \$50.00. Literature display tables are unstaffed tables.
- 4) Exhibitor assumes responsibility and agrees to indemnify and defend ECS and the Sheraton Dallas and their respective owners, managers, subsidiaries, affiliates, employees and agents against any claims or expenses arising out of the use of the exhibition premises.
- 5) The Exhibitor understands that neither ECS nor the venue contracted to host the exhibit maintain insurance covering the Exhibitor's property, and it is the sole responsibility of the Exhibitor to obtain such insurance.
- 6) Exhibitors cancelling after March 15, 2019 will incur a 50% cancellation fee.
