‘A Walk in the Bluebell Woods’

Saturday 21st April 2018

Meet outside Shelley's tea room (2 The Square, Chilham, CT4 8BY) at 1000

Spring is such a beautiful time of year in Kent and what better way to celebrate its arrival than by taking a walk through the bluebell woods with friends and colleagues from Kent Local Section of the Royal Society of Chemistry. The walk will start in Chilham and will cover a distance of 7-10 km at a leisurely pace, starting in King's Wood. Full details of the walk will be available in March but it is expected to take 2-3 hours, finishing back at Chilham where members can find ample opportunities for lunch or just go their own way

No special equipment is needed but the terrain can be soggy and there is always a slight chance of rain, so waterproof walking boots/wellies and a raincoat may come handy.

There are **25 places available** on a first come first serve basis. There is no charge for this event but please contact Robert Goldmann via email RobertGoldmann@earlscliffe.co.uk or send this form to him to Earlscliffe, 29 Shorncliffe Road, Folkestone, CT20 2NB.
