The RSC KLS is organising a tour of the Penshurst Place and Gardens followed by afternoon tea. Come and join us for a bespoke visit to this 14<sup>th</sup> century Manor House and its Gardens which was once the property of King Henry VIII. He left it to his son King Edward VI and it was then granted to Sir William Sidney in 1552. The Sidney family has been in continuous occupation for more than 460 years and it is still a family home. All who live and work there welcome visitors so do come along to discover the charm of the State Rooms, Gardens, Parkland and beyond.

The full price would be £31.65 but RSC Kent Local Section is subsidising this event for members, partners and guests. The itinerary for the visit is as follows:
