

ANNUAL GENERAL MEETING

Thursday 5th October 2023 6.30 pm, Locksley Gin Distillery
Portland Works, 20C-1, Randall St, Sheffield S2 4SJ

Dear Colleague

I write to invite you to this year's AGM for your local RSC section. This is your opportunity to meet the committee who work on your behalf, to find out what has been going on in your local section this year and to hear about future events. This is also a good time for you to have your say on any RSC issues that you may wish to discuss.

The evening of the AGM starts at 6.30 pm with a formal meeting in a meeting room at the distillery. This will be followed by a tour of the distillery, a complimentary gin and tonic and a buffet.

If you would like to attend the AGM please would you email to confirm your place by Monday 25th September 2023 at jackie.morton@hse.gov.uk. There are limited spaces so please book your place.

If you would like to have a more active role in your local RSC section by becoming a committee member, you can achieve this through the nomination process. All you have to do is be proposed and seconded and sign the declaration (enclosed).

Three ordinary members are elected each year and the period of office is three years. You would then be expected to attend committee meetings that are normally held about six times a year.

If you are interested in becoming a committee member then please complete the nomination form below. All forms should reach us by Monday 2nd October 2023. Should you need any further information about becoming a member, do not hesitate to contact myself or another committee member.

We look forward to seeing you at the AGM.

Kind regards

Dr James McGregor
Chair of Sheffield & District Local Section Committee
