Innovate to Build

ABSTRACT CALL:

- **Deadline for Oral Communications Presenters:**
30th March, 2022
- **Notification of Oral Communications Acceptance:**
29th April, 2022
- **Deadline for Poster Communications Presenters:**
29th April, 2022
- **Notification of Poster Communications Acceptance:**
3st June, 2022
- **Deadline for Student Grant Application:**
29th April, 2022

REGISTRATION:

- **Standard Registration deadline:**
17th June, 2022
- **Late registration deadline:**
5th August, 2022

PLENARY LECTURERS

- Cristina Nevado** (Organic Synthesis/Medicinal Chemistry)
University of Zurich, Switzerland
- Dame Carol Robinson** (EuChemS Gold medal 2022)
University of Oxford, UK
- Hanadi Sleiman** (Chemistry and Biology)
McGill University, Canada
- Joanna Aizenberg** (Materials)
Harvard University, USA
- João Rocha** (Materials and Solids)
University of Aveiro, Portugal
- John C. Warner** (August Wilhelm von Hofmann Denkmünze 2022)
Warner Babcock Institute for Green Chemistry, USA
- Lutz Ackermann** (Catalysis)
University of Göttingen, Germany
- Michele Parrinello** (EuChemS Gold medal 2020)
Eidgenössische Technische Hochschule Zürich, Switzerland
- Nicola Armaroli** (Energy and Sustainability)
National Research Council, Italy
- Paul Anastas** (August Wilhelm von Hofmann Denkmünze 2022)
Yale University, USA
- Takuzo Aida** (Polymer and Supramolecular Chemistry)
The University of Tokyo, Japan
