

Molecules of Murder

16 October 2015

7pm

The Alnwick Garden
Denwick Lane
Alnwick, NE66 1YU

Come along to the Molecules of Murder, presented by John Emsley. He will talk about how poisons helped to kill famous victims and catch infamous murderers. The Alnwick Garden is an ideal venue with its own Poison Garden - see the poisons for yourself!

Light refreshments available.

Transport: Bus available from Newcastle Central Station for fee (dep. 5:30pm, ret. 10:00pm).

Accommodation: Discount available with Hog's Head Hotel in Alnwick.
