

**Event Agenda : Royal Society of Chemistry Roadshows 2017**  
**Seminar Hall, Department of Chemistry, University of Delhi**

Time	Details	
08.30-09:15	Registration	
09.15-09.45	Opening remarks and Introduction to the Royal Society of Chemistry.	University of Delhi and Royal Society of Chemistry representatives.
09.45-10.25	<b>Nature's medicine chest: Opportunities for Synthesis and Drug Discovery.</b> <i>Prof Margaret Brimble, University of Auckland, New Zealand</i>	
10.25-11.05	<b>How to coerce synthetic polymer chains to fold</b> <i>Prof S. Ramakrishnan, Indian Institute of Science, Bangalore, India</i>	
11.05-11.20	Networking Break - Tea/Coffee	
11.20-12.00	<b>Investigating and Engineering the Biosynthesis of Natural Products in Fungi</b> <i>Prof Russell Cox, Leibniz Universität Hannover, Germany and University of Bristol, UK</i>	
12.00-12.40	<b>Biomimetic systems to identify new molecular mechanisms, therapeutic targets, and in situ tissue repair.</b> <i>Prof Shyni Varghese, Duke University, North Carolina, USA</i>	
12.40-13.30	Networking Break – Lunch	
13.30-14.00	<b>Workshop 1</b> <b>Open Access – What it means for you.</b>	<b>Dr Emma Wilson</b> , Director of Publishing, Royal Society of Chemistry.
14.00-14.45	<b>Workshop 2</b> <b>How to write your manuscript / poster for maximum impact.</b>	<b>Dr Andrew Shore</b> -Royal Society of Chemistry, UK <b>Dr Aparna Ganguly</b> - Royal Society of Chemistry, India.
14.45-15.00	Networking Break - Tea/Coffee	
15.00-15.45	<b>Workshop 3</b> <b>Peer Review process.</b>	<b>Dr Andrew Shore</b> -Royal Society of Chemistry, UK <b>Dr Aparna Ganguly</b> - Royal Society of Chemistry, India.
15.45-16.00	Closing Remarks	University of Delhi Director/Professor in Charge and <b>Dr Emma Wilson.</b>
