

Energy Futures: The Role of Carbon

A British Carbon Group Event & AGM

1st March 2023 12.00-4.30pm
Society of Chemical Industry
Belgrave Square, London

The British Carbon Group invites you to an afternoon of poster presentations and invited talks from academic and industry speakers at SCI headquarters in Belgrave Square, London on 1st March 2023. It includes this year's Ubbelohde Memorial Lecture, prize for the best poster and the group's Annual General Meeting.

12:00-13:00	Professor Tony Wickham , Nuclear Technology Consulting <i>Ubbelohde Award Lecture: The Nuclear Graphite Lifecycle and its Relevance to Energy Supplies in the Future</i>
13:00-14:00	Registration, Buffet Lunch and Poster Session
14:00-14:15	Sharon Todd , CEO Society of Chemical Industry <i>The Future of Carbon in Energy applications from an industry perspective</i>
14:15-14:45	Professor Peter Styring , University of Sheffield <i>CO₂ capture and utilisation</i>
14:45-15:15	Doctor Geoff Fowler , Imperial College London and BCG Chair <i>The potential benefit of biological waste in the carbon-energy nexus</i>
15:15-16:00	Coffee Break and Poster Session
16:00-16:30	British Carbon Group AGM and Poster Prize

This event is free but there are limited places so please register and indicate if you will be presenting a poster by emailing Samantha Wilkinson:
Samantha.wilkinson@uknnl.com

The winner of the poster competition will receive a prize of £100 Amazon vouchers

At the 2023 AGM the Secretary will stand down, having exceeded his term of office. The Chairman and Treasurer are required to stand down but are eligible for re-election. Nominations for these positions are invited. In addition, three positions of ordinary Committee members fall vacant this year and nominations for these are also invited. Nominations duly proposed and seconded and with the consent of the nominee, should be received by the Honorary Secretary no later than one week before the AGM by emailing pcminshall@gmail.com
