

PCCP

Physical Chemistry Chemical Physics

Name	
Job title	
Website	
Organisation	
Year of PhD	
PhD supervisor	

Biography

Research interests

Please select the category(ies) that best describes the candidate's subject area and provide a short description.

- Biophysical chemistry
- Electrochemistry
- Energy storage/ conversion
- Kinetics, spectroscopy, mechanics and dynamics
- Materials and macromolecules
- Nanoscience / nanotechnology
- Surfaces, interfaces and catalysis
- Theoretical studies and methods
- Other

Recent conference attendance
