

# Application form for the award of Chartered Environmentalist

Before completing this form please refer to the 'Requirements and information for applicants'. You must provide CV together with this form. For further advice contact the Membership Department.

Tel: +44 (0) 1223 432141

email: [cenv@rsc.org](mailto:cenv@rsc.org)

or visit the Royal Society of Chemistry website at [www.rsc.org/careers/cpd/practising-scientists](http://www.rsc.org/careers/cpd/practising-scientists)

## 1. Personal details

Title                      Miss        Mr        Mrs        Ms        Dr        Other (please specify)

Family name

First name(s)

Home address

Postcode

Telephone number

Email

Job title

Employer's name

Employer's address

Postcode

## 2. Membership and qualification details

Current category (please tick)    Member    Fellow

Membership number

Current awards held (please tick)    N/A    CChem    CSci    Other (please specify)

Highest qualification\*                  PhD    MSc    MChem/MSci    BSc    Other (please specify)

\*If you do not hold a master's level qualification (eg MSc/MChem/MSci) or a higher qualification (eg PhD) the assessing panel may request that you produce an equivalence report. Further details are provided in requirements document. This does not apply if you already hold CChem or CSci status as your M-level equivalency will have been assessed previously.

### 3. Report

The professional competences that characterise a Chartered Environmentalist are split into 4 key areas:

**A: Application of knowledge and understanding of the environment to further the aims of sustainability**

**B: Leading sustainable management of the environment**

**C: Effective communication and interpersonal skills**

**D: Personal commitment to professional standards, recognising obligations to society, the profession and the environment**

In the spaces below, summarise your relevant activities over the past two years to demonstrate your commitment to environmental best practice, and appropriate professional development. As a guide, you should be aiming to write around 250 words for each competence statement.

A1	Have underpinning knowledge of sustainability principles in the management of the environment.	
A2	Apply environmental knowledge and principles in pursuit of sustainable environmental management in professional practice.	

<b>A3</b>	Analyse and evaluate problems from an environmental perspective, develop practical sustainable solutions and anticipate environmental trends to develop practical solutions.	
-----------	--	--

<b>B1</b>	Promote behavioural and cultural change by influencing others in order to secure environmental improvements that go beyond minimum statutory requirements.	
-----------	--	--

**B2** Promote a strategic environmental approach.

**B3** Demonstrate leadership and management skills.

<b>C1</b>	Communicate the environmental case, confidently, clearly, autonomously and competently.	
<b>C2</b>	Ability to liaise with, negotiate with, handle conflict and advise others, in individual and/or group environments (either as a leader or member).	

<b>D1</b>	Encourage others to promote and advance a sustainable and resilient approach by understanding their responsibility for environmental damage and improvement.	
<b>D2</b>	Take responsibility for personal development and work towards and secure change and improvements for a sustainable future.	

<b>D3</b>	Demonstrate an understanding of environmental ethical dilemmas.	
<b>D4</b>	Comply with relevant codes of conduct and practice.	

#### 4. Supporters

An application for CEnv must be validated by two supporters, who should be members of the Royal Society of Chemistry or another professional body. Ideally they will be Chartered Environmentalists but this is not essential. We will contact these individuals by email to request confirmation of their support of your application.

##### First supporter

Name

RSC membership  
number (if applicable)

Other professional  
body affiliations

Occupation

Email address

Professional relationship  
to the applicant

##### Second supporter

Name

RSC membership  
number (if applicable)

Other professional  
body affiliations

Occupation

Email address

Professional relationship  
to the applicant

#### 5. Code of ethics and declaration

In applying for CEnv I hereby sign up to the code of ethics. As a Chartered Environmentalist I will:

- Act in accordance with the best principles for the mitigation of environmental harm and the enhancement of environmental quality;
- Strive to ensure that the uses of natural resources are fair and sustainable, taking account of the needs of a diverse society;
- Use my skills and experience to serve the needs of the environment and society;
- Serve as an example to others for responsible environmental behaviour;
- Not engage in conduct involving dishonesty, fraud, misrepresentation or discrimination; and
- Commit to maintaining my personal professional competence and strive to uphold the integrity and competence of my profession.

If you **do not** want your name and area of expertise being included in *The Directory of Chartered Environmentalists* published on the Society for the Environment's website, tick this box.

If you **do not** wish to be contacted by the Society for the Environment about special events for CEnv holders and other relevant activities, tick this box.

*I, the undersigned, do hereby declare that, while a member of the Royal Society of Chemistry, I will observe the provisions of the Charter and By-laws and any regulations made under them, and that I will conduct myself honourably in the practice of my profession and will further the interests and maintain the dignity and welfare of the Royal Society of Chemistry for as long as I shall continue to be a member. I certify that the information given on this form and in any attachments is correct to the best of my knowledge and belief and that I will abide by the decision of the Council of the Royal Society of Chemistry in pursuance of this application. I understand and agree that confirmation of information that I have provided will be sought and I hereby give permission for such information to be processed by Royal Society of Chemistry in accordance with the Data Protection Act and that such verifications may be made as deemed necessary. As a CEnv I will continue to review my professional development activities and keep accurate records which I understand may be requested by the Royal Society of Chemistry for review as part of the revalidation process.*

**Data Protection Act 1998** - The Royal Society of Chemistry will use the information you supply for the provision and administration of its activities, products and services. Individual Royal Society of Chemistry members and prospective members have the right of access to the personal data held on them by the Royal Society of Chemistry and the right to prevent its use for direct marketing purposes. The Royal Society of Chemistry does not disclose members' personal details to other organisations. It may, from time to time, execute mailings on behalf of suppliers of goods and services considered to be relevant to your professional/scientific interests. If you do not wish to receive such information, please tick the box.

Enquiries relating to the Data Protection Act should be addressed to the Data Protection Officer at the address below.

**Please return completed form by email to [cenv@rsc.org](mailto:cenv@rsc.org) or by post to:**

**Membership Department, Royal Society of Chemistry, Thomas Graham House, Science Park, Milton Road, Cambridge CB4 0WF**

### Final checklist

Before you submit your application make sure you have:

- completed every section of the report;
- included your CV;
- given the names and contact details of two supporters;
- signed the declaration; and
- completed the payment information section.
