

Eligibility form for the award of Chartered Chemist

Before completing this form, please refer to the 'Requirements and information for applicants'. A CV must accompany your registration form. If you require any further advice please contact Membership Department. Tel: +44 (0)1223 432141 email: cchem@rsc.org or visit our website at www.rsc.org/careers/cpd/practising-scientists.

All applicants will be assessed and reviewed through the Royal Society of Chemistry's Admissions Committee. The process is designed to ensure all of our standards and regulations are met:

Please note that this form is simply to check your eligibility to apply for CChem and is not a full application

Please indicate whether you wish to register for: Professional Development Programme (PDP) Direct Programme

Direct Programme applicants require at least six years of appropriate postgraduate experience.

6. Declaration

I, the undersigned, do hereby declare that, while a member of the Royal Society of Chemistry, I will observe the provisions of the Charter and By-laws and any regulations made under them, and that I will conduct myself honourably in the practice of my profession and will further the interests and maintain the dignity and welfare of the Royal Society of Chemistry for as long as I shall continue to be a member. I certify that the information given on this form and in any attachments is correct to the best of my knowledge and belief and that I will abide by the decision of the Council of the Royal Society of Chemistry in pursuance of this application. I understand and agree that confirmation of information that I have provided will be sought and I hereby give permission for such information to be processed by the Royal Society of Chemistry in accordance with the Data Protection Act and that such verifications may be made as deemed necessary.

Name

Date

Data Protection Act 1998 - The Royal Society of Chemistry will use the information you supply for the provision and administration of its activities, products and services. Individual RSC members and prospective members have the right of access to the personal data held on them by the RSC and the right to prevent its use for direct marketing purposes. The RSC does not disclose members' personal details to other organisations. It may, from time to time, execute mailings on behalf of suppliers of goods and services considered to be relevant to your professional/scientific interests. If you do not wish to receive such information, please tick the box.

Enquiries relating to the Data Protection Act should be addressed to the Data Protection Officer at the address below.

Please return completed form, a copy of your CV and equivalence form if applicable via email to: cchem@rsc.org or by post to Membership Department, Royal Society of Chemistry, Thomas Graham House, Science Park, Milton Road, Cambridge CB4 0WF
