

Report form for the award of Chartered Chemist

Direct Programme

Before completing this form, please refer to the 'Requirements and information for applicants'. An organised portfolio of evidence must accompany this form to support each of the professional attributes. It is typical for 20 different pieces of evidence to be used in a complete portfolio. The portfolio should consist of a maximum of 40 sides of A4 and be well-presented. If you require any further advice please contact Membership Department. Tel: +44 (0)1223 432141
Email: cchem@rsc.org or visit our website at www.rsc.org/careers/cpd/practising-scientists.

3. Final report

The professional attributes for CChem are grouped into five key areas:

- A. Demonstrate and develop your knowledge and experience of chemistry as well as analytical and scientific skills
- B. Exercise autonomy and professionalism in the workplace
- C. Communicate effectively and demonstrate influence in your role
- D. Demonstrate an involvement in Environmental, Health and Safety matters and adhere to the relevant requirements relating to your role
- E. Demonstrate an interest in broader developments in chemical science and make a contribution to the profession outside your usual job remit

All sections must be completed with reference to the appropriate piece(s) of primary evidence in your portfolio.

Professional attributes for CChem

A1	Make significant personal contributions to key tasks in your employment area and understand fully the objectives of your work as they relate to the chemical sciences.
A2	Demonstrate a high level of appropriate professional skills in the practice or advancement of the chemical sciences.

A3	Develop your chemistry and other professional skills as required for work undertaken and career development.
A4	Evaluate critically and draw conclusions from scientific and other data.

CChem Mentor's comments:

B1	Demonstrate reliability, integrity and respect for confidentiality on work related and personal matters.
-----------	--

B2	Plan, organise and implement work systematically and deliver results or improvements.
B3	Demonstrate the ability to work as part of a team.

CChem Mentor's comments:

C1

Demonstrate good communication skills by writing clear, concise and orderly documents and/or giving clear oral presentations.

C2	Discuss work convincingly and objectively with colleagues, customers and others, responding appropriately to alternative views.
C3	Exert effective influence.

CChem Mentor's comments:

D	Demonstrate an involvement in Environmental, Health and Safety matters and adhere to the relevant requirements relating to your role.
----------	---

CChem Mentor's comments:

E	Demonstrate an interest in broader developments in chemical science and make a contribution to the profession outside your usual job remit.
----------	---

CChem Mentor's comments:

Are there any other aspects of your personal circumstances that you feel the reviewers should know?

4. CChem Mentor's final recommendation

Do you recommend the award of CChem? (Tick as appropriate) Yes No

Do you confirm that the applicant played a principal part in the activities from which the evidence is drawn? Yes No

CChem Mentor's name

Date

5. Referee

If your mentor is a CChem you are required to provide the name of a referee who is preferably, but not necessarily, a CChem.

If your mentor is not a CChem you are required to provide the name of a referee who is a CChem.

If this is not possible contact the Membership department for advice.

References will remain confidential.

In all cases the referee is expected to have sufficient knowledge of the applicant's work.

6. Declaration

I, the undersigned do hereby declare that, the information given on this form and in any attachments is correct to the best of my knowledge and belief and that I will abide by the decision of the Council of the Royal Society of Chemistry in pursuance of this application. I understand and agree that confirmation of information that I have provided will be sought and I hereby give permission for such information to be processed by Royal Society of Chemistry in accordance with the Data Protection Act and that such verifications may be made as deemed necessary. As a CChem I will continue to review my professional development activities and keep accurate records which I understand may be requested by the Royal Society of Chemistry for review as part of the revalidation process.

Name

Date

Data Protection Act 1998 - The Royal Society of Chemistry will use the information you supply for the provision and administration of its activities, products and services. Individual RSC members and prospective members have the right of access to the personal data held on them by the RSC and the right to prevent its use for direct marketing purposes. The RSC does not disclose members' personal details to other organisations. It may, from time to time, execute mailings on behalf of suppliers of goods and services considered to be relevant to your professional/scientific interests. If you do not wish to receive such information, please tick the box.

Enquiries relating to the Data Protection Act should be addressed to the Data Protection Officer at the address below.

Please return completed form, a copy of your CV and equivalence form if applicable via email to: cchem@rsc.org or by post to Membership Department, Royal Society of Chemistry, Thomas Graham House, Science Park, Milton Road, Cambridge CB4 0WF

Final checklist

Before submitting your application for assessment, make sure you have:

- included your CV;
- a completed report form - ensure your Mentor has filled in their section;
- portfolio of evidence;
- signed the declaration; and
- name and contact of a referee.
