

CHEMISTRY \ WORLD

Editorial calendar 2019

Make your company part of the *Chemistry World* year

Editorial calendar 2019

Reach your target audience at the perfect time

| Month | Features / Highlights | Bonus Content | Additional Distribution* | Booking Deadline |
|-----------|--|-----------------------|--|------------------|
| January | International Year of the Periodic Table | Periodic Table Poster | Speciality Chemicals America | 07/12/18 |
| February | Catalysis/Spectroscopy | Pittcon Preview | Pittcon, FD: Hot-electron science | 21/01/19 |
| March | Analytical Tools in the Lab | | ACS Spring, FD: Artificial Photosynthesis | 18/02/19 |
| April | Drug Discovery | IYPT | CPhI NA / Informex, Making Pharmaceuticals, FD: Advances in Ion Spectroscopy | 19/03/19 |
| May | Fine Chemicals | | ASMS, Chembio Symposium, Chemspec, FD: Analysis of Complex Natural Mixtures | 16/04/19 |
| June | Synthesis in Organic Chemistry | | OS26 | 21/05/19 |
| July | Materials | IYPT | MC14 | 18/06/19 |
| August | Environment | | ACS Fall, FD: Quantum effects in complex systems, FD: Physical Insights into Mechanistic Processes in Organometallic Chemistry | 19/07/19 |
| September | Speciality Chemicals | | | 16/08/19 |
| October | Pharmaceutical Chemistry | CPhI Supplement, IYPT | CPhI Worldwide, Lab Innovations | 18/09/19 |
| November | Nanotechnology | | Chemistry World Jobs LIVE | 18/10/19 |
| December | Food Science | Wall Planner | | 19/11/19 |

*Some events yet to be confirmed.
