

UNDERGRADUATE APPLICATION

**Connect to Chemistry**  
**Join the RSC today**

# As part of the Royal Society of Chemistry you are joining a worldwide network of over 47,000 members dedicated to advancing the chemical sciences

## Why should I join?

With a range of services and support specifically tailored to chemical science undergraduates the RSC is the perfect partner to help you throughout your studies.

**Stay ahead of latest developments** in the field through our world renowned publications  
[www.rsc.org/publishing](http://www.rsc.org/publishing)

**Expand your network of professional contacts** through our specialist interest groups  
[www.rsc.org/interestgroups](http://www.rsc.org/interestgroups)

**Connect with scientists from across the globe with MyRSC**, our online professional networking tool  
<http://my.rsc.org>

**Access useful information** about funding sources, travel grants and employment opportunities  
[www.rsc.org/hestudents](http://www.rsc.org/hestudents)

**Demonstrate your commitment** to developing knowledge and expertise from the start of your career  
[www.rsc.org/getinvolved](http://www.rsc.org/getinvolved)

### Did you know?

Our RSC Publishing e-platform gives you powerful, fast access to keyword searches on all our journal, book and database content.

As an undergraduate you can join the RSC from one to four years, supporting you throughout your time at university.

### Membership Rates

1 Year	-	£17
2 Years	-	£30
3 Years	-	£43
4 Years	-	£56

This multi-year membership offer is only available by signing up using this form.

## What does membership include?

Membership to the RSC includes access to a wide range of services and benefits which support your development and save you money.

**Monthly copy of *Chemistry World***  
our award-winning chemical science magazine  
[www.rsc.org/chemistryworld](http://www.rsc.org/chemistryworld)

**Discounts on all your key textbooks**  
from major publishers such as Wiley-Blackwell and Oxford University Press  
[www.rsc.org/members](http://www.rsc.org/members)

**Support in finding industry placements** to enhance your employment prospects  
[www.rsc.org/hestudents/industry](http://www.rsc.org/hestudents/industry)

**Careers advice from industry experts**  
including interview techniques, CV writing and possible career paths  
[www.rsc.org/careers](http://www.rsc.org/careers)

**Access to the Virtual Library**  
including journals, e-books and business, environmental and scientific databases  
[www.rsc.org/library](http://www.rsc.org/library)

**Special offers** available at selected theme parks and hotels, on Cineworld Unlimited Passes, the PizzaExpress Club and much more  
[www.rsc.org/memberbenefits](http://www.rsc.org/memberbenefits)

## Declaration

I, the undersigned, do hereby declare that, while a member of the Royal Society of Chemistry (RSC), I will observe the provisions of the Charter and By-laws and any regulations made under them, and that I will conduct myself honourably in the practice of my profession and will further the interests and maintain the dignity and welfare of the RSC for as long as I shall continue to be a member. I certify that the information given on this form and in any attachments is correct to the best of my knowledge and belief and that I will abide by the decision of the Council of the RSC in pursuance of this application. I understand and agree that confirmation of information that I have provided will be sought and I hereby give permission for such information to be processed by the RSC in accordance with the data protection act and that such verifications may be made as deemed necessary.

## Membership of all Divisions is **free of charge**.

Please indicate below all of the groups you wish to join:

- |  |  |
|--|--|
| <input type="checkbox"/> Analytical Division                   | <input type="checkbox"/> Education Division                              |
| <input type="checkbox"/> Faraday Division (Physical Chemistry) | <input type="checkbox"/> Chemistry Biology Interface Division            |
| <input type="checkbox"/> Industry and Technology Division      | <input type="checkbox"/> Dalton Division (Inorganic Chemistry)           |
| <input type="checkbox"/> Materials Chemistry Division          | <input type="checkbox"/> Environment, Sustainability and Energy Division |
| <input type="checkbox"/> Organic Division                      |  |

## MyRSC

- Please send me a MyRSC login\*

## Payment method

- Payment by card**  
Please charge £17, £30, £43 or £56 to my **debit/credit card**

Cardholder's name			
Card number			
Valid from	/	Expiry date	/
Issue number (if relevant)			
Cardholder's address (if different from overleaf)			
			Postcode
Cardholder's signature		Date	/ /

- Payment by cash**
- Payment by cheque**  
I enclose a cheque for £17, £30, £43 or £56 payable to the Royal Society of Chemistry
- Please send me a receipt**

### **Please return your completed application form to:**

Membership Team Leader, Royal Society of Chemistry  
Thomas Graham House, Science Park, Milton Road, Cambridge CB4 0WF, UK

### **Data Protection Act 1998**

The Royal Society of Chemistry will use the information you supply for the provision and administration of its activities, products and services. Individual RSC Members and prospective members have the right of access to the personal data held on them by the RSC and the right to prevent its use for direct marketing purposes. The RSC does not disclose member's personal details to other organisations. It may, from time to time, execute mailings on behalf of third party suppliers of goods and services considered to be relevant to your professional/scientific interests. If you do not wish to receive such information, please tick the box  Enquiries relating to the Data Protection Act should be addressed to the Data Protection Officer at the address above.

\*By joining MyRSC your email address will also be stored by Small World Labs, Austin, USA.

# What happens next?

Please allow up to 28 days for your application to be processed. Your membership details will be sent to your term-time address (if indicated) as well as your monthly copies of *Chemistry World* and *RSC News*.

Access to MyRSC is included in your membership. If you have requested a MyRSC login you will be sent an email with instructions on how to activate your account. Explore what's on MyRSC - join groups of interest, read our latest blog posts or network with others in your field. (You can also register directly at <http://my.rsc.org>).

Don't forget to visit [www.rsc.org/hestudents](http://www.rsc.org/hestudents) to find out more about the support offered to undergraduates.

## Royal Society of Chemistry Partners

The RSC works in many ways to support the chemical sciences. Over the past five years our Strategic Partners have donated £5.5m to support projects that help ensure an enthusiastic, innovative and thriving scientific community is in place to face the future. Through our Partnership Programme we are able to build strong links between the RSC and our members working within the chemical sciences.
