September 2011

Dear Member

This is just an advanced warning of the details of the Senior Members' Lunch which is one of most successful events on our annual program. These lunches have been well attended and appreciated in the past and last year was no exception. We plan to hold the next dinner on **Thursday 8th December at 1145** although the venue has not yet been finalized.

It is our intention to maintain a subsidized price of £10.00 per person attending despite ever increasing costs although this may have to be looked at once the details are finalized.

It would be helpful to our planning process if you could let us know your views on:

1. the timing;
2. venue;
3. cost for the event.

Please contact me by 'phone, email or post by the end of September 2011 if at all possible – your views are most important to us.

I look forward to hearing from you and thank you in anticipation.

Yours sincerely

Martin Jones
Benevolent Fund Representative
