

Conferences and Courses, 1993/2004

- 2004 30 Mar **Achievements and Challenges in Biotransformations**, Imperial College, London (with Chemical Biology Forum)
- 2003 6/8 Jul **Proteomics I: The Chemical Tools & Challenges**, Churchill College, Cambridge (with Chemical Biology Forum)
- 2002 29/31 Aug **Polysaccharide Biotechnology II**, University of Nottingham (with BioUpdate)
- 2001 9/10 Oct **Freeze Drying of Biologicals and Pharmaceuticals**, Amersfoort, Netherlands (with BioUpdate)
- 2001 12/15 Jun **Protein Biotechnology in the 21st Century**, Amersfoort, Netherlands (with BioUpdate)
- 2001 15/17 May **The Amorphous State in Food and Pharmaceutical Processing: A Critical Review**, Churchill College, Cambridge (with BioUpdate)
- 2000 30 Oct/2 Nov **Stable Proteins as Commercial Products**, Churchill College, Cambridge (with BioUpdate)
- 2000 12/13 Apr **Freeze Drying of Biologicals and Pharmaceuticals**, Churchill College, Cambridge (with BioUpdate)
- 1999 5/8 Sep **Biodiversity: A Source of New Leads for the Pharmaceutical and Agrochemical Industries**, St Andrews University
- 1999 31 Mar **Biotechnology for Chemists**, Scientific Societies Lecture Theatre, London
- 1998 7/10 Sep **Stable Proteins as Commercial Products**, Girton College, Cambridge (with BioUpdate)
- 1998 22/25 Jun **Understanding Polysaccharide Biotechnology**, Girton College, Cambridge (with BioUpdate)
- 1998 25/26 Mar **Freeze Drying of Biologicals and Pharmaceuticals**, Amersfoort, Netherlands (with BioUpdate)
- 1997 5 Dec **Biotransformations in the Food Industry: Perceptions, Enzymes & Products**, Scientific Societies Lecture Theatre, London (with Food Chemistry Group)
- 1997 3/5 Sep **Polysaccharide Biotechnology I**, University of Nottingham (with BioUpdate)
- 1996 22/23 Aug **Marine Biotechnology: An International Perspective**, Heriot-Watt University

- 1996** 14/17 **Phytochemical Diversity: A Source of New Industrial**
Apr **Products**, University of Sussex
- 1995** 5/8 Sep **Biotrans '95**, University of Warwick
- 1994** 19 Sep **Peptide + Water = Protein: The Interactions of Proteins with**
Water, University College, London
- 1994** 12/13 **Freeze Drying: Principles and Practice**, Girton College,
Apr Cambridge
- 1993** 15/16 **Microbial Products as Drugs: Rapid Methods for Production**
Sep **and Identification**, Girton College, Cambridge
