CAMS-UK Fellowships

The Object of the Analytical Chemistry Trust Fund is to promote, assist and extend the science and study of Analytical Chemistry and of all questions relating to the analysis, nature and composition of natural and manufactured materials for the benefit of the public.

The ACTF has recently funded and partnered with CAMS-UK (www.cams-uk.co.uk), an industrially led community dedicated to supply world class analytical measurement science (AMS) training, research and innovation. This new partnership will provide funding for a range of initiatives to support the development of analytical measurement science talent, including these Fellowships. Recipients of the Fellowships will also be awarded with access to CAMS-UK tier member network benefits for 1 year.

Closing date for applications: Friday 14th September 2018

1. Purpose of the CAMS-UK Fellowships
The purpose of the CAMS-UK Fellowships is to assist early career analytical chemists within 5 years of their first full-time junior academic appointment at a UK or Irish HEI to establish their own independent analytical science research identity. The Fellowships, which are valued at up to £30,000, may be used by the Fellow in any way that advances the purpose of the Fellowships and of the ACTF, including but not restricted to one, some or none of:-

- co-funding of PhD studentship
- a 3-to-6 month sabbatical
- buy-out from teaching commitments
- purchase of equipment or materials
• visit(s) to UK, Irish or overseas laboratory(ies)
• purchase of time on third party facilities
• public engagement and schools, including training in communication
• fieldwork
• hosting visiting researcher(s) of acknowledged standing
• establishing a research network

2. Definitions
CAMS-UK   Means the Community for Analytical Measurement Science - UK
ACTF      Means the Analytical Chemistry Trust Fund.
Trustees  Means the Trustees of the Analytical Chemistry Trust Fund.
Trust Administrator  Means the Administrator of the Analytical Chemistry Trust Fund.
Fellowship Means an Analytical Chemistry Trust Fund Fellowship.
Fellow    Means the holder of a CAMS-UK Fellowship.
HEI       Means Higher Education Institution in the United Kingdom or the Irish Republic, as defined by the Scottish Funding Council, the Higher Education Funding Council for England, the Higher Education Funding Council for Wales, the Department of Employment and Learning Northern Ireland and the Higher Education Authority of the Republic of Ireland.
Home Institution Means the UK or Irish HEI at which a Fellow holds their first full-time junior academic appointment.
Work Programme Means the programme of work contained in the applicant’s application for an Analytical Chemistry Trust Fund Fellowship.
Analytical Chemistry Means a discipline of the chemical sciences which in the judgment of the Trustees is consistent with the Object of the Analytical Chemistry Trust Fund.
Analytical Chemists Means practitioners of Analytical Chemistry.

3. Who is Eligible

3.1 Early career and outstanding Analytical Chemists within 5 years of the date of appointment to their first full-time junior academic position at a UK or Irish HEI. The Fellowship must be completed within 5 years of the date of appointment.

3.2 There are no restrictions on age.
3.3 There are no restrictions on nationality, but a Fellow must normally be resident in the UK or Ireland.

3.4 Applications are welcomed from candidates who wish to re-establish themselves after a career break or other period of absence from active research.

4. How to Apply

4.1 The application form can be obtained by e-mailing the Trust Administrator at ruth@rhearn.net.

4.2 The application form must be approved by the applicant’s Head of Department or School in their Home Institution.

4.3 Applicants must append a list of publications relevant to their application.

4.4 Applicants must append a 1-page CV to their application.

5. Time Line

- Call for applications (ACTF)       June 2018
- Deadline for receipt of applications (applicant) 14th September 2018
- Decision by Trustees (ACTF)       mid-October 2018
- Announcement of awards (ACTF)     end October 2018
- Conduct of Work Programme (applicant) in following calendar year or years (2019+)

6. Work Programme

At a minimum, applications must specify:-

- The start and end dates of the Fellowship
- Aim(s) and objective(s) of the Fellowship
- How time and money will be spent.
- Deliverables, benefits
- Medium to long term professional development of the Fellow
- Impact on UK or Irish analytical chemistry
- In the application, the budget must specify how and when money will be spent; salaries, consumables, equipment, subsistence, travel (by economy class: including visas, insurance etc), teaching buy-out and other expenses.
- All applications must include a statement that the project is compliant with the best standards of ethical practice.
7. Assessment of Applications
7.1 Applications will be assessed by three Trustees, all of whom are professional analytical chemists.

8. Finance
8.1 The Fellowships are valued up to £30,000 or Euro equivalent.
8.2 A Fellowship grant will not exceed £30,000 under any circumstances.
8.3 Payment will be made by BACS to the Fellow’s Home Institution up to one month before the start date of the Fellowship upon receipt of the Fellow’s Home Institution’s invoice by the Trust Administrator.
8.4 The Fellow’s Home Institution will be responsible for disbursement of funds to the Fellow.
8.5 Trustees will not pay registration fees or overhead charges.
8.6 The Fellowship grants are exempt from VAT.
8.7 In consultation with the Trust Administrator, Fellows may be permitted to move money between expenditure categories during the course of their Fellowship.
8.8 Fellows are responsible for their own work permits, visas, immigration clearance, travel and accommodation arrangements, insurance of their travel costs, personal belongings and medical requirements.

9. Reporting & Final Expenditure Statement
9.1 A detailed report on the achievements and benefits of the Fellowship must be sent to the Trust Administrator within 3 months of the end of the Fellowship.
9.2 A final expenditure statement must be sent to the Trust Administrator within 3 months of the end of the Fellowship.
9.3 A second report outlining the medium term development of the Fellow's research career must be sent to the Trust Administrator one year after the end of the Fellowship.
9.4 Fellows may be invited to make a presentation on the achievements of their Fellowship at an Analytical Research Forum or other RSC Analytical Division meeting.

10. Variation and Termination
10.1 A Fellowship is a grant to the Fellow only; in the event that a Fellow is for any reason unable to conduct the Fellowship no substitution will be permitted.
10.2 In the event of maternity, paternity, adoption, parental or sick leave on the part of the Fellow no additional funds will be paid, but the requirement to complete the Fellowship within 5 years of the date of appointment to the Fellow's first full-time junior academic position may be relaxed at the discretion of Trustees.

10.3 If a Fellow, for any reason, ceases to undertake the Work Programme the Trust Administrator must be informed immediately in writing. Where possible, at least one month's notice should be given of any material change in the Fellow's or the Work Programme's circumstances.

10.4 If a Fellow plans to transfer to another HEI before the beginning of the Fellowship or during the Fellowship, Trustees expect the grant to transfer with the Fellow to the new HEI. Agreement is required to this from both the transferring and receiving HEI and from the Trust Administrator.

10.5 If a Fellow transfers before or during a Fellowship to an organisation outside the UK or the Republic of Ireland the grant will be terminated forthwith and all uncommitted funds returned to the Trust Administrator.

10.6 Any Fellow whose progress or conduct does not satisfy the Trustees shall have the grant terminated.

10.7 Trustees reserve the right to terminate the grant at any time, subject to reasonable notice and to pay any payment that may be necessary to cover outstanding and unavoidable commitments.

11. Miscellaneous

11.1 The Analytical Chemistry Trust Fund Fellowship scheme may be terminated or its conditions varied at any time at the discretion of the Trustees.

11.2 The Trustees reserve the right to make no Fellowship award if applications do not meet the required standard.

11.4 Fellows should seek to publish the results of their Fellowship in accordance with normal academic practice, preferably in RSC journals. The Fellow and the Home Institution shall acknowledge the support of the ‘Analytical Chemistry Trust Fund’ in all publications and materials resulting from the Fellowship.

11.4 ACTF makes no claim to the intellectual property rights arising from a Fellowship.

11.5 The Trustees accept no responsibility, financial or otherwise, for expenditure by the Fellow or the Host Institution in addition to the Fellowship grant or liability financial or otherwise arising from the Fellowship.
11.6 The decision of the Trustees is final.

11.7 If not already a member, Fellows are strongly encouraged to become a member of the Royal Society of Chemistry and its Analytical Division.

12. Contact

All enquiries and correspondence should be addressed to the Trust Administrator:-

Dr Ruth Hearn, Tel 07903 849865  ruth@rhearn.net

E-mail:

Application

Title of your Fellowship Work Programme:

Start Date:  
End Date:  

Date of appointment to your first full-time junior academic post at a UK or Irish HEI:

Lay Summary (maximum 300 words)

Work Programme (Maximum 2 pages)
Give details of:-
- your field(s) of research in analytical science
- what you would do during the Fellowship
- where you would do it
- how you would spend the grant
- what you plan to achieve
- milestones & deliverables

Professional Development; Impact on HEI and Analytical Science (Maximum 300 words)

Publications relevant to this application (Maximum 1 page)
Short CV (Maximum 1 page)

Budget (Give a comprehensive breakdown of your planned expenditure)
