

Biotechnology Group: Conferences, Workshops and Courses, 2000/10

Conferences

- 2001** 15/17 May *The Amorphous State in Food and Pharmaceutical Processing; A Critical Review*, Churchill College, Cambridge
- 2003** 6/8 Jul *Proteomics I: The Chemical Tools & Challenges*, University of Cambridge
- 2004** 30 Mar *Achievements and Challenges in Biotransformations*, Imperial College London
- 2005** 12/13 Dec *Glycomics I - From Glycobiology to Diagnostics & Therapeutics*, Imperial College London
- 2006** 5/7 Apr *Proteomics II: The Chemical Tools & Challenges*, University of Cambridge
9 May *Biomarkers*, SCI, London
27 Jun *Therapeutic Proteins: Chemical and Enzymatic Modifications*, UCL
- 2008** 11/12 Sep *Glycomics II - From Biology to Therapeutics*, University of Manchester
- 2009** 21 Apr *Advances in Biocatalysis*, UCL, London
6/9 Jul *Functional Molecules from Natural Sources*, University of Oxford
1 Oct *Chemical Tools in Systems Biology*, SCI, GSK, Stevenage
- 2010** 19 Apr *Chemical & Biological Therapeutic Approaches to Neurological Disorders*, RSC, London
14 Sep *Water, Hydration and Physical Properties*, University of Nottingham

Workshops and Courses (* with BioUpdate)

- 2000** 12/13 Apr **Freeze Drying of Biologicals and Pharmaceuticals*, University of Cambridge
30 Oct/2 Nov **Stable Proteins as Commercial Products*, Churchill College, Cambridge
- 2001** 12/15 Jun **Protein Biotechnology in the 21st Century*, Amersfoort, Netherlands
9/10 Oct **Freeze Drying of Biologicals and Pharmaceuticals*, Amersfoort, Netherlands
- 2002** 30 Aug **Polysaccharide Biotechnology II*, University of Nottingham
- 2005** 27/29 Apr **Understanding Polysaccharide Biotechnology*, Novartis Foundation, London
- 2006** 26/28 Apr **Understanding Polysaccharide Biotechnology*, University of Nottingham
- 2007** 27/28 Mar **Understanding Polysaccharide Biotechnology*, University of Nottingham
12/13 Nov **Polysaccharide Vaccines*, Amersfoort, Netherlands
- 2008** 10/11 Apr **Current Topics in Carbohydrate Biotechnology*, University of Nottingham
- 2009** 9/10 Apr **Current Topics in Carbohydrate Biotechnology*, University of Nottingham
- 2010** 9/10 Apr **Introduction to Glycotechnology*, University of Nottingham
