

RSC Dalton Division, North of England Regional Meeting 2009**Tuesday 7th July****The University of Manchester
Lecture Theatre G51, School of Chemistry, Brunswick Street**

10:30 Arrival, tea and coffee

Session 1 chaired by Dr. Darren Bradshaw10:55 Raquel Gracia Espana, University of Sheffield
'Synthesis and Characterisation of Diruthenium Paddlewheel Compounds Containing Bulky Ligands'11:15 Vincent Rocher, University of Hull
'Silicon/Nitrogen Inorganic Polymers and Ceramics as Support Materials and Catalysts'11:35 Matthew McConville, University of Liverpool
'Regioselective Heck Reactions for the Synthesis of Oxygen Heterocycles'11:55 Nichola Cosgrove, University of Leeds
'The Phospho-Aldol Reaction: Future, Past and Present'

12:15-13:35 Buffet lunch and poster browsing, Chemistry concourse

Session 2 chaired Dr. Nathan Patmore13:35 Laura Carthy, The University of Manchester
'Linking Heterometallic Wheels Using Coordination Chemistry'13:55 Martina Whitehead, University of Huddersfield
'Isomeric Pyridyl-Thiazole Donor Units for Metal Ion Recognition in Bi- and Tri-metallic Helicates'14:15 Marius Câmpian, University of York
'Activation of E-H Bonds on Photolysis of Rhodium Phosphine Complexes'14:35 Abid Khan, University of Hull
'CXCR4 Chemokine Receptor Antagonists: New Metallodrugs'14:55 James Birbeck, University of Sheffield
'Hydroformylation Mechanisms: Ligand Effects on the Reactivity of Cobalt Acyl Complexes'

15:15-15:40 Tea and coffee, Chemistry concourse

Session 3 chaired by Dr. John Slattery

15:40 Gary Evans, University of Liverpool
'Chemical Bonding Assembly of Multifunctional Oxide Nanocomposites'

16:00 Qi Shi, University of York
'Synthesis, Coordination Chemistry, and Bonding of Strong *N*-Donor Ligands Incorporating the 1H-Pyridin(2E)-ylidene (PYE) Motif'

16:20 Luke Batchelor, The University of Manchester
'New Vanadium and Chromium Clusters from Multistep Solvothermal Synthesis'

16:40 Chris Caruthers, University of Leeds
Synthesis and Supramolecular Chemistry of Cyclotrimeratrylene Derivatives

From 17:00 Poster session and drinks, Chemistry concourse
