ACTIVITIES UNDERTAKEN IN 2006

Please report below on activities undertaken by the Group in 2006. If you have more detailed information about any particularly successful events, or advice for other Groups, you may use a separate sheet.

Date	Activity (including dates and venues where appropriate)	Attendance Numbers	Comments
6/1/06	1-Day meeting at Imperial College London	144	Attendance excellent Very successful meeting AGM was also held that day
9-12 June 06	The 10 th Joint Heterocyclic Group/SCI Divisione di Chimica Organica Meeting, Harrogate	75	Good international meeting Low attendance – possibly due to location and move to June (rather than May)
14/9/06	Autumn Postgraduate meeting hosted by AstraZeneca, Loughborough	109	Turnout very good New format – with 5 post-grad speakers and 2 plenaries, 21 posters. Support from Angela and Tony Fish bequest for post-grad travel. Very successful
Any comments which would help other Groups (eg. details of an excellent venue, speakers, cost savings, good poster board, suppliers etc)
