

Stop-overs in Developing Countries Application Form

Please note that there are no formal closing dates for submission of applications. There are four deadlines for applications each year: **January 1, April 1, July 1, October 1.**

Applications should preferably be emailed to travelgrants@rsc.org, or posted to:

Travel Grants Administrator
Royal Society of Chemistry
Thomas Graham House
Cambridge Science Park, Milton Road
Cambridge CB4 0WF

Applications should be submitted in good time, even if information concerning other aspects of the visit (e.g. acceptance of paper at conferences, applications for other support costs) is still awaited. Such information should also be forwarded)

1. Full name and title.....

10. Declaration

I confirm that I am a member of the Royal Society of Chemistry/Institute(s) listed under item 5, and that the funding for which I am applying is to be used to cover the **additional** costs of travel resulting from a detour or break in the journey, and/or subsistence.

Signature of Applicant

Date

Statements supporting the application may be submitted. It is expected that candidates will submit copies of any letters of invitation from places they are proposing to visit. Please note that awards are not normally made for attendance at conferences unless visits to other persons/institutions in the same city/country are also being made.
