

## VOCATIONAL QUALIFICATIONS

From June 2001 and the onset of Curriculum 2000 the Intermediate GNVQ and Advanced GNVQ were replaced by the GNVQ Intermediate level and Advanced VCE.

From 2006-2007 the Advanced VCE has been replaced by the Applied GCE A-level.

Statistics for the current and previous qualifications are included below:

### **GNVQ Intermediate Level Science**

	Number of candidates who sat examination	% of total number sat.
2001	954	2.3
2002	1887	2.8
2003	5210	5.5
2004	6951	6.9
2005	10995	10.5
2006	13161	11.8
2007	12485	14.9

### **Advanced VCE (Single award) Science**

	Number of candidates who sat examination	% of total number sat.
2002	645	2.0
2003	605	1.5
2004	659	1.5
2005	956	2.2
2006	764	2.3

**Advanced Double Award VCE Science**

	Number of candidates who sat examination	% of total number sat
2002	1187	2.8
2003	1141	2.6
2004	958	2.5
2005	952	2.9
2006	998	3.3

**Applied Science A Level Single Award**

	Number of candidates who sat examinations	% of total number sat
2007	1125	3.4

**Applied Science A Level Double Award**

	Number of candidates who sat examinations	% of total number sat
2007	742	4.9

The statistics below refer to the pre-Curriculum-2000 qualifications:

**Science Intermediate GNVQ for all UK candidates**

	Number of candidates who sat examination	% of total number sat.
1998	3746	
1999	3237	
2000	2872	3.9
2001	633 (legacy)	3.9

**Science Advanced GNVQ for all UK candidates**

	Number of candidates who sat examination	% of total number sat.
1998	2865	
1999	3165	
2000	2929	3.6
2001	2217 (legacy)	3.1
