COLLABORATION

The issue of communication and collaboration between all member networks has been raised by members at recent events including the regional meetings and the general assembly. There have been instances of committees running very similar events when, had they known about their shared interests, they would have preferred to work together and to share their experiences.

As all of the networks cover such a broad range of topics it would be helpful if you could complete the following information to assist staff in proposing potential collaborations. Please include the topic of an event which you would consider collaborating on with another committee and the contact name for that area (if left blank we will assume that the contact is the Secretary). To facilitate communication if you are happy for us to pass your contact email on to the appropriate person to discuss potential collaboration please indicate below.

This information will be shared with all other member network committees.

Area of interest	Contact Name	Permission to share email YES/NO
