

Who Should Attend

The conference aims to focus on areas of current research in the fields of chemistry and pharmacy including but not limited to the following:

- * Synthetic Chemistry (Organic & Inorganic)
- * Natural Products Chemistry
- * Analytical & Biochemistry
- * Physical & Electrochemistry
- * Industrial & Applied Chemistry
- * Advanced Materials
- * Computational Chemistry
- * Catalysis
- * Medicinal Chemistry
- * Pharmaceutical Chemistry
- * Clinical Pharmacy
- * Drug Design, Discovery & Delivery
- * Pharmacology & Therapeutics
- * Pharmacovigilance
- * Pharmacokinetics & Pharmacodynamics

Important Dates

Early Registration:

On or before 30th November, 2017

Last Date for Registration & Submission of abstract:

30th December, 2017

Registration Fee

Early Registration

(On or before 30th November, 2017)

Industry Professionals: 5000 Rs.

Faculty: 4000 Rs.

Students: 3000 Rs.

International Participants: 100\$

Regular Registration

(After 30th November, till 30th December, 2017)

Industry Professionals: 6000 Rs.

Faculty: 5000 Rs.

Students: 4000 Rs.

International Participants: 125\$

On-Desk Registration

Industry Professionals: 7000 Rs.

Faculty: 6000 Rs.

International Invited Speaker

Prof. Dr. Huwei Liu

College of Chemistry and Molecular Engineering, Peking University, Beijing, China

Prof. Dr. Thorimbert Serge
Université Pierre et Marie Curie
Paris, France

Prof. Dr. Zahid H. Siddik
Department of Experimental Therapeutics, Division of Cancer Medicine, The University of Texas MD Anderson Cancer Center, Houston, TX, USA

Prof. Dr. Hector Marcelo Fernandez Lahore
Professor of Biochemical Engineering Life Sciences & Chemistry, Jacobs University, Bremen, Germany

Prof. Dr. Ibrahim Jantan
Drug and Herbal Research Center, Faculty of Pharmacy Universiti Kebangsaan Malaysia Kuala Lumpur, Malaysia

Prof. Dr. Athar Ata
Professor, Chairperson Department of Chemistry The University of Winnipeg, Canada

Dr. M. El-Shazly
Faculty of Pharmacy, Ain-Shams University Cairo, Egypt

Dr. Muhammad Sharif
Leibniz Institute of Catalysis Rostock, Germany

Prof. Dr. Gunter Gramp
Institute of Physical & theoretical Chemistry, Graz University of Technology Graz Austria.

Dr. Asnuzilawati Asari
School of Fundamental Science, Universiti Malaysia, Terengganu Malaysia.

The conference will provide a platform for active researchers, both national & international, to discuss and share their latest research work. It will also provide an opportunity for chemists and pharmacists, from academia and industry, to come together for broader collaboration in areas of common interest. The conference invites academics (faculty and students), industrial chemists & pharmacists, and researchers from around the world to meet and exchange their latest ideas and views.

National Invited Speaker

Prof. Dr. Khalid M. Khan

HEJ, Research Institute of Chemistry, University of Karachi, Pakistan

Prof. Dr. Jamshed Iqbal
Center for Advanced Drug Research (CADR), COMSATS IIT, Abbottabad, Pakistan

Prof. Dr. Irshad Hussain
Syed Babar Ali School of Science and Engineering, Department of Chemistry, Lahore University of Management Sciences (LUMS), Lahore, Pakistan

Dr. Zaheer-ul-Haq Qasmi
HEJ, Research Institute of Chemistry, University of Karachi, Pakistan

Dr. Abdul Hameed
HEJ, Research Institute of Chemistry, University of Karachi, Karachi, Pakistan

Dr. Abdul Sadiq
Department of Pharmacy, University of Malakand, Pakistan

The Department of Chemistry in association with Department of Pharmacy is organizing a three-day international conference, "*Chemical & Pharmaceutical Sciences: Recent Approaches in Research & Applications*", to be held on 17-19 January, 2018. This is the third international conference that will be organized by the Department of Chemistry. The previous international conferences were successfully held in January 2015 and 2017.

About the Historic City of Lahore

The conference will be held in Lahore, a beautiful and historic city, and a cultural hub of the country. It is the second largest city of Pakistan. The history of Lahore goes back to thousands of years. Over the time, the city has enriched itself from various cultures of ethnic and religious backgrounds. The unique architecture of the city is a testament to its glorious past.

About the Departments of Chemistry and Pharmacy

Forman Christian College was established in 1864, and is one of the oldest institutions in the sub-continent. The Department of Chemistry is among the earliest departments established at Forman Christian College. It has a rich tradition as a leading institution of the discipline, as is reflected by eminent scholars and researchers it has produced. It offers BS (Hons), MPhil and PhD programs. The Department of Pharmacy has been recently established and will play an important role in pharmacy education in Pakistan. Its unique program in a liberal arts education environment distinguishes it from its peers in the country.
