

**PCET 2018: The 3rd International Conference on
Proton-Coupled Electron Transfer**

June 10-14, 2018

We are pleased to announce that PCET 2018 will be held June 10-14, 2018 at the *Chetola Resort in Blowing Rock, NC*. Nestled in the Blue Ridge Mountains of North Carolina, this venue will provide a great backdrop for discussing contemporary topics in proton-coupled electron transfer.

Additional meeting details, including the program, travel, accommodations, and registration will be available at:

<http://pcet2018.web.unc.edu/>

Blowing Rock is conveniently located and accessible from the Charlotte-Douglas International Airport. Ground transportation options will be organized.

Organizing Committee: Jillian Dempsey, University of North Carolina
Jim Mayer, Yale University
Tom Meyer, University of North Carolina
Alexander Miller, University of North Carolina
