

**Catalysis Symposium, Chemistry & Materials, MMU**

**Bridging the gap! Are Pd-catalyzed C-X and C-H  
coupling processes homogeneous, heterogeneous or both?**

*Professor Ian Fairlamb,  
University of York*

**Royal Society of Chemistry, Homogeneous Catalysis Award Lecture:  
Exploring new coupling reactions.**

*Professor Robin Bedford,  
University of Bristol*

**Friday 12<sup>th</sup> March 2010, 2pm**

**Lecture Theatre 2 (Room 2.05),**

**Sandra Burslem Building, Manchester Metropolitan University**

**(Pass through All Saints Building on Oxford Road, into car park under the A57M, turn left)**

**For further details contact Dr. Andrew Caffyn – [a.caffyn@mmu.ac.uk](mailto:a.caffyn@mmu.ac.uk)**
