

Summer Event

21 June 2016

7pm

Norwich City Football Ground

Carrow Road

Norwich NR1 1JE

Join us for a preprandial drink at 7.00 pm in "The Top of the City" before we sit down to a sumptuous meal of char grilled aubergine, poulet aux reisling, and chilled lemon and lime mousse cake. Afterwards Dr Kim Hastings, Senior Lecturer in Exercise Physiology at the University of East London will tell us about "Food that fuels us: friend or foe?".

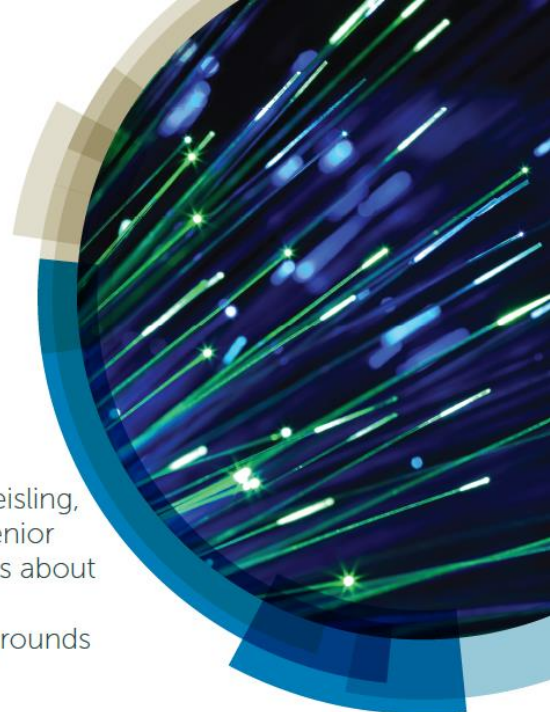

Please indicate whether you wish to take part in an optional tour of the grounds and facilities which will start at 6 pm.
