

# 2016 Government Chemist Conference

## Science supporting trust in food

21-22 June 2016

The Royal Society, Carlton House Terrace, London, SW1Y 5AG

### A conference to discuss the role of science in supporting trust, integrity and authenticity in the food chain

This biennial two-day conference, organised by the Government Chemist, brings together scientists, regulators, enforcement agencies, industry and policy makers to discuss food fraud, authenticity and safety.

The conference will be opened by the Government Chemist followed by a keynote presentation from Professor Sir Mark Walport, Government Chief Scientific Adviser, on the recently published report 'Forensic Science and beyond: authenticity, provenance and assurance'. The conference will include presentations on:

- The Food Authenticity Network
- Role of the UK customs laboratory in combating food and consumer goods fraud
- Referee case outcomes
- DNA sequencing for food authentication
- FoodIntegrity.eu: a European resource for combating food fraud
- Allergen detection and management.

The programme will include speakers from Food Standards Agency, Department for Environment, Food & Rural Affairs, Food Standards Scotland, Association of Public Analysts, FERA, LGC, Campden BRI, Leatherhead Food Research and MRC Human Nutrition Research.

### Who should attend?

The conference will be of interest to anyone involved in ensuring the safety, quality and authenticity of food and animal feeds:

- Food and feed industry
- Government
- Food retailers
- Consumer groups
- Public analysts
- Food scientists
- Trading Standards Officers
- Environmental Health Officers
- Academics and the research community.
