

Industrial Effluents: Discharge Monitoring and Environmental Protection

14th October 2010

Middlesbrough Teaching & Learning Centre, Cargo Fleet Lane, Middlesbrough, TS3 8PE, Tel 01642 242075, For directions click on: www.mtlc.co.uk

The regulatory control of discharges of industrial effluents is changing with the introduction of Environmental Permits and the extension of operator self-monitoring requirements. The morning session of this Workshop will provide an update by the Environment Agency on these regulatory requirements and an opportunity to hear and discuss the practical ways in which discharges can be monitored. The afternoon session will focus on means to protect, monitor and assess the impact of discharges on the natural environment. The target audience is industrial operators, instrument suppliers, regulators and environmental consultants.

Early Bird Discount: 10% discount for bookings received by 15th September.

Chairman: Stuart Newstead, Newstead Consulting Ltd.

09.30 **Coffee & registration**

10.00 **Introduction**

Stuart Newstead, Director, Newstead Consulting Ltd

10.15 **Operator Self-Monitoring for Industrial Traders**

Pete Baker, Technical Advisor, Surface Water Team, Environment Agency

10.45 **Reduced Effluent Costs Through Accurate Flow Measurement**

Keith Flint, Sales & Marketing Director, Pulsar Process Measurement

11.15 **Tea / coffee**

11.45 **Triggering Automated Samplers Using Key Parameters**

David Wilson, UK Sales Manager, In-Situ Inc

12.15 **Trade Effluent Monitoring: Choosing the Right Installation**

Pete Skipworth, Environmental Monitoring Solutions Ltd

12.45 **Discussion & Lunch**

13.45 **In-drain Spill Containment**

Brian Back, Environmental Innovations

14.15 **River Monitoring of Toxic Industrial Effluents**

Roger Powell, Process Measurement & Analysis Ltd, on behalf of Joep Apels, microLAN

14.45 **Assessing the Ecological Impact of a Major Accident**

Bob Pailor, Director, Industry Nature Conservation Association

15.15 **Discussion & close**

REGISTRATION

The cost of attending the Workshop is £70.00 inc VAT for members of SWIG and £130 inc VAT for non-members. Literature may be distributed for a fee of £50 and a limited number of table top displays are available at £100 each.
