

ACS Green Chemistry Institute
Chemistry for Life®

3 DAYS
40+ SESSIONS
600+ PARTICIPANTS

23rd Annual Green Chemistry & Engineering Conference — and — 9th International Conference on Green and Sustainable Chemistry (GCE/GSC)

RESTON, VIRGINIA, USA | JUNE 11 - 13, 2019

Engage an international community of
scientists, engineers and leaders.
Submit a symposium idea by September 10th.

Abstract submission is open November 19, 2018 - January 14, 2019.

2019 Conference Chairs

Philip Jessop, Ph.D.
*Canada Research Chair
in Green Chemistry*
Queen's University, and
Technical Director
GreenCentre Canada

Joan Brennecke, Ph.D.
*Professor, Cockrell Family Chair
in Engineering #16, McKetta*
Department of Chemical
Engineering, University of Texas
at Austin
