

# Cutting Edge Biomolecular Science

**The 2013 SFBBM Symposium**  
2 - 4 October 2013  
Marstrands Havshotell

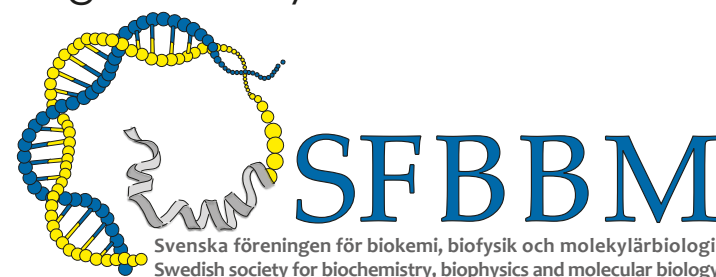

## Keynote speakers

Richard Armstrong, Vanderbilt University, USA  
Irmgard Sinning, Heidelberg University, Germany  
Israel Pecht, Weizmann Institute, Israel

Biochemistry, biophysics,  
structures, enzymology,  
cell- & molecular biology,  
kinetics, bioinformatics...

Submit your abstract and  
register **before 15 May**  
2013 for a discount fee!
